To

His Excellency The Right Honourable

John Baron Pentland of Lyth, P.C., G.C.I.E.,

Governor in Council,

Through

The Honourable Khan Bahadur M. Azizuddin Sahib

Bahadur, C.I.E., I.S.O.,

Paymaster, Carnatic Stipends,

M A D R A S.

The Petition of Saberla Begum Sahiba, the only living daughter of His Highness the late Nawab Zahir-ud-Dowla Bahadur, G.C.S.I., regarding the exemption from the operation of examination rules granted to her grandson G.M. Nurullah Sahib,

Most Respectfully Sheweth,

That Your Excellency's petitioner is the only daughter of His late Highness Nawab Zahir-ud-Dowla Bahadur, G.C.S.I., the Second Prince of Arcot and before she lays her prayer for Your Excellency's consideration she respectfully begs to express her deep and genuine gratitude for the exemption from the operation of Examination Rules granted to her grandson G.M. Nurullah Sahib, an orphan, in G.O.No.1539 dated 5th December 1917.

2. That this young man, with a view to live by the sweat of his brow by some honest means, unlike some young male members of the Carnatic Family who, depending upon the stipends they got from the benign Government wanted to and did while away their time, sought for Government Service and obtained a clerk's appointment on Rs.20/- under the Superintendent of Stamps and Stationery on the 22nd August 1917 and the Superintendent pleased with his hard work and the enthusiasm and interest with which he discharged his duties gave him a

12-
promotion of Rs5/- within a short period. Your petitioner may be permitted to assure Your Excellency that with experience and age he would not be found wanting to confirm the loyalty of his forefathers to Government's cause and to prove true to the salt he eats.

3. That the only matter for your petitioner's regret is that the benign Government does not, at times, show the consideration due to the members of the Carnatic Family of whom the petitioner is a prominent one. To whom are they to represent their grievances and difficulties if not to their benign Government and from whom are they to ask for any help and concession if not from Government their only support and dependence? The point for Your Excellency's consideration is that the petitioner's said grandson has been granted the exemption referred to in para I supra which while helping him to rise up to Rs.30/- incapacitates him in more than one way. Under it he can neither get promotion above Rs.30/- in the Stamp and Stationery Office nor can he shift himself to another office under Government nor can he qualify himself for another Department under Government to which he may be found naturally and physically suited as under the said exemption order he is not allowed to appear for any Special Test Examination.

4. That Your Excellency's petitioner begs to bring to your notice that the Government has on different occasions been pleased to grant General Exemption from the operation of Examination Rules to several members of the Carnatic Family and the petitioner is at a loss to find why the petitioner's grandson the said G.M. Nurullah Sahib should have been particularly unfortunate in not having the same indulgence at the hands of Government; nay, even some very ordinary young men other than those of the Carnatic Family have been fortunate in having General Exemption accorded to them whose names, the petitioner is prepared to point out, if required.

5. That Your Excellency's petitioner is not anxious to tax Government's indulgence to grant a General Exemption to

3
petitioner's grandson which the Government has not seen its way, for some reason or other, to do in the first instance; she would remain satisfied if, at least, the restrictions which he is subjected to in the exemption order quoted above be removed viz., (a) if he is qualified to have his promotion over Rs30/- in due course without any limit being put on it, (b) if the exemption does not nail him to the Stamp and Stationery Office, as it does at present so that he may have liberty, as in ordinary cases, to shift himself to any other office under Government which he may be found suitable to and (c) lastly, if he is permitted to appear for Special Test Examinations.

6. That it would not be out of place to remind Your Excellency of the special considerations, which the petitioner even now has the honour to enjoy - that (a) in the whole existing Zenana Royal Family of the Carnatic the petitioner is the lady who is given the honour ^{of} the first visit in the Government House either by Her Excellency Lady Pentland or Her Excellency Lady Chelmsford (b) that the petitioner is the only lady who has had the honour of a return visit every year from Her Excellency Lady Pentland as she is the only surviving daughter of His Highness the late Nawab Zahir-ud-Dowla Bahadur G.C.S.I. The petitioner may also state that her name appears in the Paymaster's list of Stipendiaries of 'higher pay', her stipend being Rs.375/- a month.

7. That Your Excellency will pardon the petitioner if she were to tax Your Excellency's patience one bit more by soliciting a perusal of copies of the letters herewith submitted written by their Majesties the Kings of England to petitioner's grandfather etc. wherein assurances are held out to the effect that they (their Majesties) would ever show special concessions to the descendants of the Royal addresses.

8. That the petitioner strongly hopes that having in

view the foregoing considerations Your Excellency will be pleased to grant to the petitioner's grandson G.M. Nurullah Sahib the concessions prayed for in para 5 supra a petty matter in itself.

9. For which act of kindness the petitioner will ever remain obliged.

The petitioner humbly begs to remain,

Sealed Saberla Begum Sahiba.

Nawab of Arcot and Carnatic greeting

The invariable Friendship and good understanding which has long subsisted between us and which we are desirous on our Part to promote and improve on every occasion, thoroughly persuaded of your corresponding with us in the same sentiments has induced us to write to you on a subject, which we flatter Ourselves will not only be pleasing to you, from the affection you bear towards us but will be advantageous to your affairs, and to the public peace and tranquility in your parts as it will testify the world our esteem and Regard for you and the good correspondence which we wish to cultivate.

Having thought proper to bestow the high mark of our approbation on two of our subjects whose conduct ^{we} will hope will have rendered them worthy of your esteem, we cannot add to the Dignity of conferring those honours on them more than by desiring you will represent our Person upon this solemn occasion and that you will perform those functions for us which we always perform ourselves ^{where} and the circumstances will admit. Our intention being to confer the order of the Bath, one of our most honourable marks of Distinction on our trusty and well beloved Sir John Lindsay Knight Commander in chief of our ships and vessels in the East Indies and of the marine Force of our united company of merchants trading to and in those parts; and on our Trusty and Well beloved Eyre Coote Esqr Major General of our Forces in the East Indies and commander in chief of all the said company's military force there; We have directed the said Sir John Lindsay to deliver to you this letter with the En-

-4- 6

Ensigns of the order and to learn from you the time when it will be most agreeable to you to perform this ceremony as well as to make known to you the nature and manner of bestowing these Honours upon him and the said Eyre Coote. And so repeating our Wishes ^{for} your Felicity we bid you heartily Farewell. Given at our court at St. James the Twenty Seventh Day of June 1770 in the Tenth year of our Reign.

Weymouth ---

Letter from King George III to the First Nawab of the Carnatic, dated St. James 19th March 1771.

To

The Nawab of the Carnatic, Greeting:-

We received from the hands of our East India Company, in July last your letter, accompanied with your different presents

We shall look upon the picture of yourself and your children with pleasure, as it will put us, continually in mind of that affection, which you have, always shown towards us, and which we have no doubt will be hereditary in your Offspring, as we are satisfied that our friendship and protection to you and your posterity will descend through our successors from generation to generation. That we may the more readily afford it, in any circumstances which may arise to you, and to our company whose interests we look upon, as inseparable and whom we wish to link together, in an indissoluble knot, by our Royal hand, we have thought fit to send a great force of our ships of war into the seas of India, and having occasion in our own Kingdom for the services of our late Commander in Chief and ^{le} Plenipotentiary, Sir John Lindsay, we have appointed to the command of our fleet, Sir Robert Harland Baronet, one of the

-3- 7 5

Admirals of our Navy, and we have made him of our Plenipotentiary to you, ordering him to deliver you this letter, and present to you a pair of pistols, out of our private armoury, and some cloths of the manufacture of our country which we pray you, to accept as token of the continuance of our esteem, of which you will be fully assured by our Plenipotentiary; and we desire that you put entire confidence in whatever he shall say in our name. And so repeating our wishes for your prosperity, we bid you heartily farewell.

Given at our court at Jame's the Nineteenth day of March one thousand seven hundred and seventy one and in the Eleventh year of our Reign.

To

HIS EXCELLENCY THE NAWAB WALLAJAH

UMMER-UL HI ND OOMDAI-UL-MOOLK SERAJUD

DOWLA ANVERUDEEN CAWN BAHADUR

MUNSOOR JUNG SEPAH SALAR.

As we have nothing so much at Heart as the continuance of that happy Union which has so long subsisted between Your Excellency and the English East India Company, we could not but receive the most sincere pressure from the letters with which we were honoured by Your Excellency in the course of last season, since we are therein gratified to its height of our wishes by the assurances you are pleased to give us of your inviolable Friendship, and of your conviction that whenever we take a part in Your Excellency's concerns our views are wholly for your Ease, happiness and welfare.

Your Excellency will nevertheless permit us to lament

that you should seem to entertain the least degree of suspicion that the real state of ^{your} affairs has been mis-represented to us by those to whom we entrust the conduct of our own. And we feel a greater concern from a suggestion of this nature as Your Excellency seems apprehensive that the Ardour of our attachment is abated by such means. But though we must assure our servants the Justice to declare ourselves convinced that they are ready and willing to second our views for the Honour and Interest of Your Excellency and the Prosperity of your Family and Country, we cannot avoid taking this occasion to assure you that should any persons whatever endeavour at any time to loosen the Bonds which unite us with Your Excellency, Our Friendship is sufficiently established to resist any effort either of Malice ^{or} Mis-representation.

In Our last Address to Your Excellency, we laid before you with that openness of Heart which ever accompanies true Friendship, our Sentiments respecting ^{the} Neutrality, which we wish to maintain amongst the contending powers of Hindustan. We therefore shall here only add that we adopt that system from a Persuasion of its being as much for Your Excellency's true interest as for that of the Company.

As it has, at all times ^{been} irksome to us to importune Your Excellency on the subject of ^{the} expenses of the Mysorean War how great must be our satisfaction to receive immediately from Your Excellency a Confirmation of your Promise for the Payment of Ten Lakhs of Pagodas as your proportion of those charges. And we persuaded ourselves that Your Excellency will justify ~~the~~ confidence we ever had in Your Honour and regard for our welfare by entering into such an arrangement for the discharge of the said Ten Lakhs as may relieve us from any uncertainty in this respect. And we now cannot forbear indulging ourselves in the hope that it is not possible for anything to intervene to check that pressure which we enjoy in our correspondence with Your Excellency.

That Your Excellency may long live to witness an acknowledge the sincerity of our attachment to your person and Government that you may be blessed with uninterrupted health unhappy in your illustrious ^{now} family, and that your Country may flourish in Peace and Plenty is our ardent and constant wish. In Testimony whereof we hereunto affix Our Great seal in the City of London this seventh day of April in the year of Our Lord. One thousand seven hundred and seventy three.

To

His Highness the Nawab Wallajah Ameer ul Omrah Madar-ul-Mulk Ameerul Hind, Azeem-ud-dowlah Anwarnuddin Khan Bahadur Showkath Jang, Sepah Salar, Sepahdar of the Carnatic.

We have received with pleasure your Highness's letter of the 6th September 1803 expressing sentiments of friendship and regard towards us and our people and we have read with satisfaction the Testimony it contains of the attention and support which your Highness has experienced from Lord Clive now Earl of Powis. His Lordship could not have better fulfilled our wishes in respect to your Highness than in contributing by every means in his power to your welfare and happiness and we trust you will meet with the same friendly disposition and the same cordial support from his successor Lord William Bentinck.

We Congratulate Your Highness On the accession to the musnad of your Ancestors on which we hope you may long remain with honour and happiness.

Your Highness may be assured that, we shall seize every occasion of affording you proofs of our regard, and of continuing to your Highness and to your family our especial friendship and protection.

Your affectionate friend,

Given at our court at St. James's the 27th day of June in the year of our Lord 1804 and in the 44th year of our reign.

From
His most Sacred Majesty George the Fourth by the Grace of God
King of the United Kingdom of Great Britain and Ireland
Defender of the Christian Faith King of Hanover &c.

To
His Highness the Prince Azim Jah Ameerul Omarah Omdatul Mulk
Sirajul Omarah Assudood Dowlah Muhammad Ali Khan Bahadur
Zoolfakar Jung Naib-i-Mookhtar of Highness the Nabob of
the Carnatic.

We have received the letter in which your Highness has communicated to us the melancholy decease of your Highness's Elder Brother the Nawab Azam Jah Bahadur Nabob of the Carnatic, the succession to his illustrious Father of Ghulam Muhammad Ghous Khan Bahadur, and the investiture of your highness under the title of Nabib-i-Mookhtar with the conduct of affairs during the minority of His Highness the Nabob.

While we deeply lament the melancholy decease of your Highness's Elder Brother, whose virtues and whose friendship for us we knew and esteemed we, cannot but admire the bene-

beneficent dispensation of Providence which in taking from Highness Ghulam Muhammad Ghouse Khan Bahadur his illustrious father, our friend, has given to him in your Highness a second father endowed with equal virtues and capable of maintaining in the splendor and dignity which are its inheritance the illustrious House of the Nabobs of the Carnatic.

We are well pleased to learn that the conduct of the late Governor of Madras Sir Thomas Munro and of the present Governor the Right Honourable Stephen Rumbold Lushington has been satisfactory to your Highness.

In the late Sir Thomas Munro, we have lost one of the most able and most virtuous of our servants, but we trust that his successor guiding his footsteps by the glorious light which precedes him, will equally deserve our Royal favour. He cannot better evince his zeal for our service and for that of the East India Company than by making it the first object of his Administration to maintain your Highness's interests, and the ancient friendship which has so long united us to your Highness's illustrious Family.

We pray that the blessing of Providence may be upon your Highness and upon your Highness's House and so we bid your Highness heartily farewell.

Your Affectionate friend,
(sd) George R.I.

Submitted to the Chief Secretary to Government.

2. Petitioner's grandson M. Noorullah Sahib is employed in the office of the Superintendent of Stamps and Stationery on a monthly salary of Rs. 20 permanent and Rs. 25 acting. He is a promising young man and I consider him a very decent member of the Carnatic family I have come across and I should like to encourage him in public service. The prayers contained in para 5 of the memorial may be favourably considered.

I had withheld the petition to particularly watch M. Noorullah Sahib's character and work and Mr. Marjoribanks who acted for me left the petition for submission to Government by me on my reversion from the Board as Paymaster of the Carnatic Stipends and Collector of Madras. This accounts for the delay in the submission of the petition.
