Through

The Director of Public Instruction,

SIR,

I have the honour to submit herewith the application of the Resident Medical Officer for the entertainment of a peon for the Boys' and Girls' Hospitals, with the resolution of the Committee thereon.

2. I have the honour to report that there is only one ward servant in the Boys' school hospital and only one ~~xxx~~ ward servant in the Girls' school hospital.

The number of patients treated in hospital in 1917 was as follows:-

	In patients	Out patients
Boys	340	549
Girls	86	183

3. There is constant traffic for medicines; books etc., between Boys' and Girls' Hospitals - also clothing, reports etc., to be sent to other departments in the school - and the consequence is that the Boys' school ward servant, who does most of this, is quite unable to attend to his regular duties.

4. The Committee therefore trust that the Government will be pleased to sanction a peon for the hospitals on Rs.8/- per mensem.

I have the honour to be,

Sir,

Your most obedient servant,

W. H. G. Padfield
Principal and Secretary.

To

The Principal and Secretary,

Lawrence Memorial School,

Lovedale.

Sir,

I beg to bring to your notice that I have got three menial servants on the staff of this hospital. Viz:- one cook, one maty or ward servant and one sweeper - the maty or properly speaking the ward servant, in addition to his duties in the wards, is utilised for carrying despatches and for returning clothing of boys admitted and fetching the clothes of those discharged from hospital, I have noticed that these outside duties very often paralyse the ward works, especially when the hospital is full of patients.

Another point for consideration is that we are not in Telephonic communication with Ootacamund and in cases of emergency it is difficult to communicate with the Consulting Physician and there is great loss of time in communicating through the post.

I therefore request that you will kindly obtain sanction for an office peon for this office, who can be utilised for carrying despatches and doing all the outside work, leaving the maty free to attend solely to the patients and ward work.

I have etc.,

I entirely agree with the R.M.Officer.
