Resolution
Reference.

The Hon'ble Mr. C.G. Todhunter, I.C.S.,
3rd Member, Board of Revenue, and
Commissioner of Salt, Abkari and Separate Revenue.

REFERENCE.

The Board begs to request that Government may be pleased to exempt Assistant Inspector, Mr. N.G. Deane, Sub-Inspector, M.R.Ry. P.Muniswami Nayudu and Clerk, M.R.Ry. M.Desika Acharya from passing certain departmental tests specified below.

2.

2. Mr. N.G. Deane, Assistant Inspector, 1st grade completed his engineering training on 5th October 1914 and should have passed tests D I, II and III before January 1917. He, however, passed only test D III in the examination held in January 1917. As he had failed to complete the tests at least in the 1917 July examination he has been temporarily reduced to the 2nd grade from 13th September 1917. He has not passed the tests up to date and is now on military service in the Indian Army Reserve of officers from 22nd June 1918. In October 1917, the Assistant Inspector represented to the Board that he found it difficult to pass the tests on account of his age and other causes. To ascertain if his inability to pass the tests stood in the way of his managing the Circle the Deputy Commissioner, Southern Division, made an inspection of the Malappuram Circle under the orders of the Board, in January 1918. The notes of inspection submitted by the Deputy Commissioner showed that the Circle during the Assistant Inspector's administration was generally in good order. The Assistant Inspector is now completing his forty-second year. In view of the above particulars the Board requests that the Assistant Inspector may be exempted from passing tests D I and II as a special case.

3. M.R.Ry. P. Muniswami Nayudu is now in the third grade of Sub-Inspectors and has put in a service of 23 years and 8 months. Before joining this department he was in military service. He requests that he may be exempted from passing tests A, B & F by the lower grade with a view to qualify himself for promotion to the 2nd and 1st grade of Sub-Inspectors. He is reported to be well-fitted for Sub-Inspector's work though his general knowledge is too poor to enable him to pass any examination. In view of his advanced age (44), his past military service and satisfactory work, the Board recommends his exemption from passing tests A, B & F by the lower grade.

4. M.R.Ry. M. Desika Acharya, Clerk on R. 125 in the Central office was confirmed on R. 100 from 21st November 1915 and should have

have passed test A before now. On account of his age and service this clerk was exempted from passing the tests required of him (B, F and E in two languages) as long ago as 1907 - vide Government Order No. 433 Mis. (Educational) dated 6th July 1907. He is now over 52 years of age and has put in a service of about 33 years in the department. He was not selected for Engineering training owing to his advanced age. His work as a Clerk is quite satisfactory and as he is likely to retire shortly, the Board recommends that he may be formally exempted from passing tests A(lower) and D. (X)
