Home (Education) Department.

From the G.O.C.9th Secunderabad Division,
No.2953/7/A-1, dated 12th August 1918.

Endorsement of the D.P.I No.1725 B-1, dated
19th August 1918.

From the D.P.I, No.7163, dated the 10th Septem
ber 1918.

Subject:-

Concessions towards the education of the
children of ~~the~~ European and Anglo-Indian
Soldiers.]

Please see para 8 of the office note on ~~the~~
page 3 of notes G.O.No.663 Home (Education)
dated the 23rd May 1918. The question ~~for~~ the
grant of ~~the~~ special concessions to meet the
education of the children of European and
Anglo-Indian Soldiers ~~xxxxxxxxxxxxxxxxxxxxxxxx~~
who have died or become permanently incapaci-
tated while on active service has now to be
considered.

2 The concessions which, in the opinion of the
Government of India, each child may be granted
are:-

(1) Free primary education plus a small
annual allowance to cover incidental expenses
such as books etc.

(11) A scholarship in a middle school, such
scholarship being of the amount ordinarily given
in the province and including (if this is not
already ~~the~~ practice) the cost of fees;

and (3) Without prejudice to eligibility
for open scholarships, to enter in competition
for such scholarships in high schools and

Colleges as the Local Government may reserve for the benefit of the children in question.

3. Orders have issued in G.O.Nos 663 Home (Education), dated the 23rd May 1918 as regards the grant of concessions to the children of ~~the~~ Indian soldiers. The Government have sanctioned the admission of such children into all elementary and secondary schools under public management without payment of fees and they have also authorised the incurring of expenditure ~~on~~ ⁱⁿ the provision of books etc., for the pupils upto the limits specified. They ~~have~~ ^{are} also undertaken to reimburse managers of aided institutions the amount of fee income foregone by them as well as the expenditure incurred by them ~~and~~ ^{on} the provision of books etc., for the pupils.

4. Excluding the Lawrence Memorial school, Ootacamund, which may be treated more or less as a Government institution, all the other schools for ~~the~~ European boys and girls in the Presidency are aided institutions under mission or private management. As regards admission to the Lawrence Memorial school, preference is given to the children of ~~the~~ soldiers and, under rules 41 and 42 of the rules for the constitution and working of the school, the children of ~~the~~ ~~excluded~~ soldiers of the rank of corporal or private are admitted free of charge beyond payment of the subsistence allowance drawn for them and, in the case of other ~~pupils~~ ^{pupils}, it is open to the Committee of Management to remit or reduce the fees payable. If the Committee finds that further concessions are necessary in the case of children of European and and Anglo-Indian Soldiers, they will no doubt

approach the Government for the modification of the rules.

5. The case of children of European and Anglo-Indian soldiers seeking admission ^{to} ~~in~~ aided institutions has therefore alone to be considered. Under note 2 to article 31 of the Code of Regulations for European schools, such a child can be admitted without payment of fees ~~by~~ with the consent of the Inspector provided the total number of free scholars does not exceed 15% of the ^{strength of the} school. Any such concession granted by the manager of an institution will no doubt be taken into account when the grant to the institution is fixed under article 39 of the Code. Article 41 provides that schools cannot claim a boarding grant for military orphans for whom special military allowances are given and that such children must, unless specially exempted, read in Military asylums. The special exemption herein referred to will no doubt be given in deserving cases and, when such exemption is given, a boarding grant at the rate fixed will also become payable. In addition, a cadet grant is also payable under article 43 of the Code. Children of European and Anglo-Indian soldiers can also compete for the scholarships specified in chapter X of the code.

6. From the D.P.I's reply on pages 3 & 4 of the C.F., it appears ^{that, in his opinion,} ~~no~~ additional concessions beyond those referred to above are necessary and that individual cases deserving special treatment may be dealt with on their own merits.

The Directors' view may, it is submitted, be concurred in. A draft reply to the G.O.C.9th (Secunderabad) Division is submitted for approval.

There is no doubt that the intention is to extend to the cases in question the Concessions contemplated by India in all instances where the existing regulations are inadequate.

However the draft is correct. Sent to Public (War) for acceptance.

With reference to your letter No. 2953/8/A-1, dated the 12th August 1918, I am directed to state that, as at present advised, this Government do not think it necessary to issue any general orders regarding the grant of concessions to meet the education of the children of European and Anglo-Indian soldiers who have died or become incapacitated while on active service. I am however to request that Applicants for concessions on behalf of such children may be directed to apply to the Inspector of European and Training Schools, Madras re schools in the Madras Presidency and to the Inspector of Schools 9th Circle, Bangalore re schools in the Civil and Military station, ~~at~~ Bangalore. These officers will deal with the applications in the first instance and, in cases where the concessions which they are ~~not~~ empowered to grant under existing regulations are insufficient, they will address the Director of Public Instruction, ~~in~~ Madras, who will pass appropriate orders in the case.
