Directing that students in colleges and schools who may be enrolled in the Indian section of the — should not be compelled to pay fees for the period of their training.

READ—the following paper:—

Letter—from A. Y. G. CAMPBELL, Esq., C.I.E., I.C.S., District Magistrate, Kistna.

To—the Chief Secretary to Government.

Dated—Masulipatam, the 18th August 1918.

No.—R.C. 2630 of 1918-24.

With reference to the reopening of the voluntary enrolment in the Indian section of the Indian Defence Force, I have the honour to request the orders of Government on the following point. An applicant for enrolment appeared before me and said that he had been informed by the Principal of the Noble College that if he did not pay his college fees for the period during which he was absent on training his name could be struck off the College books. If candidates are compelled to pay fees when they are on training, it may act as a serious deterrent to enrolment. My office is unable to refer me to any orders of Government on this question and I have the honour to solicit them.

Order—No. 1335, Home (Education), dated 11th October 1918.

The Government are pleased to direct that students in colleges and schools who may be enrolled in the Indian section of the Indian Defence Force should not be compelled to pay fees for the period during which they are under training in the Force. The Director of Public Instruction is empowered to compensate managers of aided institutions up to the amount of the fee income foregone by them in granting this concession, when fixing the grants to the institutions under the provisions of the Grant-in-aid Code.

NOTES CONNECTED WITH G.O. No. 1335, HOME (EDUCATION),
DATED 11TH OCTOBER 1918

[SUBJECT.—Remission of college fees to students enlisting in the Indian
Defence Force.]

REVENUE (SPECIAL) DEPARTMENT.

From the District Magistrate, Kistna, No. 2630-24, dated 18th August 1918.

The question raised by the District Magistrate, Kistna, is whether a student should, in order that his name may not be struck off the college rolls, be required to pay the college fees during the period of his training in the Indian Defence Force.

At present, one of the concessions offered by the University to students enlisting in the Indian Defence Force is exemption from the production of the term certificate required under the University Regulations—page 5 of G.O. No. 1038, Public, dated 14th August 1917. This practically means that the University are prepared to count as attendance in the college the period of the student's training in the Indian Defence Force and to condone the deficiency in the number of days of attendance which he should according to the Regulations put in in the college. During this period the student is not benefited by the lectures at the college and in this view there is justification for the remission of his fees for that period. Another view is that as the student's course at the college is not extended beyond the usual period he should pay fees just as other students do, so that the college authorities may not lose the fees due to them. It would therefore seem that as stated in the Public Department Memorandum No. 2874-2, dated 25th August 1917, the matter should be left to the decision of the managing authorities of the college. But Mr. Campbell (District Magistrate, Kistna) states that compelling a student to pay fees when he is on training will act as a serious deterrent to the enlistment of students in the Indian Defence Force. Submitted that in these circumstances the Home (Education) Department may be requested u.o. to advise as to the course to be followed.

INSTRUCTIONS FOR THE SECRETARIAT.

(a) If a paper is marked to be printed urgently, the Superintendent of the section concerned should sign the Press slip. The Superintendent should exercise a careful discretion in the matter.

(b) Each letter, memorandum, or order, or set of orders, in the file of correspondence should be headed in succession with the Roman numeral I, II, III, etc., the number being written in red ink or blue chalk above the item. The particular papers to be printed in the special issue-copies should be indicated by the Roman numeral (I, II, etc.) by which that item has been headed in the correspondence file. All matter, including marginal remarks or references, to be printed should be written in ink and matter which should not be printed should be encircled. Initials and signatures that are not quite legible should be re-written distinctly.

(b¹) For rules regarding printing of notes, see rule 315 of the office Manual.

(c) The number of copies and the details of distribution should be filled in by the Superintendent or Referencer concerned.

(d) In the absence of special instructions to the Press to keep matter standing for a specified period, ordinary papers of 8 pages and under will be kept standing for one week, and larger papers for two weeks only. The type of notes and of all confidential papers is distributed immediately after striking.

(e) This slip, properly and completely filled in, should accompany every paper sent to Press; it will be returned by the Press when proofs are furnished; it should be sent to the Press when a call is made for revised proofs or when a corrected proof is sent for striking. When finally returned by Press it should be filed with the original order or letter.

INSTRUCTIONS FOR THE PRESS.

(a) If, in the opinion of the Superintendent of the Press, a paper has been marked urgent unnecessarily, he should send the Press slip to the Registrar with a remark to that effect.

(b) Unless a note to the contrary is made against the matter, pencil entries should not be printed. The Superintendent of the Press may bring to the notice of the Registrar any instance of incomplete or careless editing.

(c) Signature copies of letters to the Secretary of State or to the Government of India should be printed on hand-made paper.

(d) This slip should be returned by the Press to the Secretariat when proofs are furnished; it will be sent back to the Press when proofs are returned corrected and should be finally returned to the Secretariat when struck-off copies are supplied.

(e) The names of the Secretary and Members should be printed in full when they occur on the right hand side, only the first time when they appear on the left side, the initials alone being printed later.
