Copy of para 2 of the letter dated 26th June 1918 from the Keeper of the Department of Oriental Printed Books and Mss. British Museum, London, addressed to the Registrar of Books, Madras.

2. These Catalogues were sent to this Department through the India Office, and thus a considerable delay was caused. Some time ago I pointed out to the India Office that this arrangement was highly unsatisfactory to all concerned, and requested that the Catalogues might be sent from Madras directly to me. This proposal was accepted, and for some time I received the Catalogues directly from your Office, with very satisfactory results. I beg that you will now be so good as to return to the arrangement.
