STATEMENT OF THE OBJECT AND AN APPEAL ON  
BEHALF OF THE CIVIL ORPHAN ASYLUMS.

THE MADRAS CIVIL ORPHAN ASYLUMS were founded one hundred and nine years ago for the gratuitous education, board and lodging of the orphans of Europeans and their descendants, who are not eligible for admission into the Military Asylums in the Presidency. They have thus stood the test of time, and continue to retain public confidence.

It is no easy task to feed, clothe and educate two hundred orphans. It is a still more difficult matter to successfully launch out in life these children, educated up to the Middle School Standard, to make their way through the ever-increasing crowd of better educated competitors.

The necessity, character and scope of the work done in these Institutions are well known to the general public in Madras, and the help received is practically confined to the residents in this City. But all orphans throughout the Presidency are eligible for admission. This fact, it may be assumed, is generally known throughout the mofussil, from the applications which are made from various stations for the admission of orphans; but the Directors regret that the claim *resulting from this fact*, upon persons residing in the mofussil, for some contribution towards the support of these Institutions, does not appear to be so generally recognized.

These Institutions are managed in an admirable manner by a particularly strong Directorate, who are elected by the subscribers.

The Bishop of the Diocese is the President, the Archdeacon and Garrison Chaplain are the Vice-Presidents and the rest of the Clergy of the Church of England are *ex-officio* Patrons of these Institutions. Though the religious instruction imparted here is in accordance with the tenets of the Church of England, destitute orphans of all denominations are admitted.

The Directors, therefore, earnestly request the *Clergy in the Presidency and Mofussil*, either to make regular periodical collections in their Churches on behalf of the Asylums, or else to circulate this appeal, together with the accompanying report among the European and Eurasian residents at their stations who are particularly invited to come forward and contribute, according to their means, towards the support of Institutions which provide such efficient relief for the destitute and distressed members of their own community.

#### DIRECTORATE.

At the Annual Election for Directors in 1917, Mr. S. D. Pears, Mr. W. D. St. Leger, Mr. H. Y. Necker on retiring were re-elected. Mr. A. J. Leech was elected but did not serve and his place remained vacant.

#### FINANCE.

The receipts for the year amounted to Rs. 48,401, and the expenditure to Rs. 52,820-4-9, leaving a deficit of Rs. 4,419-4-9. This deficit was largely due to the late collecting of certain monies. The average number of children supported was 202 for the year at a cost of Rs. 21-12-0 per cap. per mensem including everything.

## PRINCIPAL'S REPORT FOR 1917.

*Read at the Distribution of Prizes, April 3rd, 1918. His Excellency Lord Pentland, Governor of Madras, presiding.*

YOUR EXCELLENCY, LADIES AND GENTLEMEN,—It is with great pleasure that I, in the name of the Directors, Staff and Pupils, tender our thanks to Your Excellency for the honour you have done us in once again presiding at our Annual Prize Distribution.

We greatly appreciate the kind interest you have always taken in these Institutions: and your presence with us today does much to encourage us in the important work of training our Anglo-Indian Orphan Boys and Girls to be God-fearing men and women, and consequently worthy citizens of the mighty Empire to which we are so proud to belong.

The past year has been marked by changes among the Chief Executive Officers. The Rev. W. E. Wood relinquished the office of Principal in January, and proceeded to Australia to undertake new work there. The good wishes of all went with him and Mrs. Wood. Pending the appointment of a new Principal, the Rev. C. D. Giles, Garrison Chaplain, in accordance with the Provisions of Government when the post of Principal is vacant, acted for the first six months of the year assisted by Mr. W. D. St. Leger as Honorary Secretary. The sincere thanks of the Directorate and Staff are due to Mr. Giles and Mr. St. Leger for the interest, care and energy they displayed in the management of the Asylums during that period. Mr. Giles successfully tackled some difficult problems of adjustment in the Domestic Staff of the Girls' School and it is largely due to measures initiated by him that the Clothing Department is now in a completely satisfactory condition. It is also noteworthy in this connexion that the alms given to the Asylums in the Church of St. Mary, Fort Saint George, on October 28th reached the large

sum of six hundred rupees. The Garrison Chaplain has now permanently undertaken the office of Honorary Treasurer. The Asylums have suffered great loss in the retirement of the former Honorary Treasurer, Mr. A. Rebeiro, and words are quite insufficient to praise the excellent work he has done for them during a long period. The management of the finances is no easy task, as the Garrison Chaplain can testify. Mr. Rebeiro shepherded the financial interests of the Asylums with what can only be called loving care. The debt of gratitude which all and sundry connected with these Institutions owe to Mr. Rebeiro is indeed a deep one. The new Principal and Secretary succeeded to office on July 1st.

There have also been changes in the Educational Staff during the year. Mr. R. J. Jordan, First Assistant Master, returned on the 11th January after a year in the Government Training Class, Sanawar, relieving Mr. D'Moss who went to Bishop Corrie's School. Mr. Jordan's work has been well reported on by the Sanawar authorities, and he has been awarded a Second-class Diploma of the Second Grade.

Misses H. Pacheco and I. Jones were appointed Fifth and Sixth Assistant Mistresses in January, to fill vacancies caused by the resignations at the close of the previous year, of Misses Fallon and Bower, First and Sixth Assistant Mistresses, respectively. Mr. Zcherpel, Second Assistant Master, joined the Medical College at the beginning of the second term, and was succeeded here by Mr. T. Burr, who resigned at the end of the year.

Misses Wilson and Twigg were appointed Fifth and Sixth Assistant Mistresses at the beginning of the second term in the vacancies caused by the resignation of Misses Flynn and Ferguson, First and Third Assistant Mistresses, respectively.

The school was inspected on the 9th and 12th February by Mr. Melville. Unfortunately, no report was received, the material for writing it which was being taken home by Mr. Melville, having been lost at sea owing to enemy action. The Inspector's verbal criticisms and suggestions were however carried out, and we have every reason to suppose that the report itself would have been satisfactory.

In examinations we have done well. Four pupils were presented for the Middle School Examination, two boys and two girls. Eardley Kennedy, Anna Browne and Olive Ringrow passed in the first, second and third classes, respectively. E. Kennedy gained distinction in Arithmetic and Book-keeping, A. Browne in History and Book-keeping, and Olive Ringrow in Book-keeping. In the Diocesan Prayer Book Examination, of seventeen who appeared for the Intermediate Grade, sixteen were successful, Alice Nurse being fourth in the Presidency and winning a money prize. Sixteen obtained certificates of merit. All the eighteen who appeared for the Elementary Grade were successful, of whom ten obtained certificates of merit. Arthur Tapsall was first in the Presidency, Cyril Brett, Charles Brewart and Chester Laurent obtaining third, sixth and seventh places, respectively.

The Commercial classes continue under the careful tuition of Mr. T. V. Raman who has been made a Fellow of the Institute of Commerce, Birmingham, and has been awarded a Teacher's Diploma by the same Institute. In the examination in typewriting held locally last December by the Birmingham Institute, one boy and one girl appeared for the elementary grade, and five girls for the intermediate grade. All obtained certificates.

There have been no changes in the Domestic Staff. Sergeant Markham and Sergeant Hillman continue in charge of the boys. The former is to be congratulated on his success in obtaining khaki for the boys' clothing at a reasonable cost in these hard times. On the girls' side a post has been revived, that of Matron Superintendent, who is, under the Principal, supreme in all domestic matters on that side. This post has been efficiently held by Miss Francis who is to be congratulated on a decided improvement in the discipline, cleanliness and tidiness of the girls under her supervision. The Clothing Department has now, thanks to the help of the Ladies' Committee, been placed on a satisfactory basis. There is a good supply of material, and the girls now make their own clothing entirely themselves, under the able tuition of Mrs. West.

I am glad to have this opportunity of thanking the Headmaster and the Staff, both educational and domestic, for their loyal work during the year, and especially for their willingness to assist me when I took up the reins of government as the new Principal.

The children continue to hold their own in sports, but we are hampered by want of proper apparatus. The difficulty will be further accentuated this year by the fact that under the new conditions we have no boys eligible as cadets in the Indian Defence Force. We consequently lose the Government grant for cadets, which grant has hitherto helped to furnish sports' gear.

Many of our old boys are 'doing their bit' in Mesopotamia, at Basra and in local garrisons, while some of our masters also have been requisitioned for their quota of parades every week, a serious addition to their labours.

The Christmas treats were thoroughly enjoyed. Under the capable organization of Mrs. C. M. Schmidt a large sum, nearly 1,000 rupees, was given by kind friends interested in the Asylums. The "ship" was decorated on Christmas eve, and after a splendid tea, each child received a handsome present. The balance of the fund will be expended in the children during the forthcoming summer holidays.

The Lord Bishop of the Diocese held a confirmation in the Asylums' Chapel on April 11th. Thirty-eight candidates were presented. The Band now accompanies the service on Sunday mornings. Sergeant Hillman has taken great pains to train our young musicians for this work. Unfortunately the band instruments are old and require continual repairing. Under the circumstances Sergeant Hillman's success is very praiseworthy. The Honorary Treasurer reports that the receipts for 1917 were Rs. 48,401 as against expenditure of Rs. 52,820-4-9 with deficit of Rs. 4,419-4-9 on December 31st.\* The number of children supported for the year has been 202 at average of Rs. 21-12-0.

\* This deficit was largely due to the late collecting of certain monies.

One of the chief problems the Principal has to solve is, what to do with the boys and girls when the time comes for them to leave the shelter of the Asylums.

It is becoming increasingly difficult in view of the rising standard of required efficiency, to find employment for those who have passed through the Middle School only.

During the year four lads were given employment by Messrs. P. Orr & Sons, one joined Massey & Co. as an articled apprentice, one entered the South Indian Railway Workshops, one joined His Excellency the Governor's Band, and one joined the Bank of Madras as a clerk. Of the girls Sybil Davey left to continue her studies at the Presidency Training School for Mistresses, one entered the establishment of Messrs. Wrenn, Bennett & Co., two obtained situations as nurse-maids.

We much regret to record that two boys, A. Moore and H. Burgher, died in the General Hospital after a short illness.

In conclusion, we are confident that the results of the past year's work justify us in again appealing to the whole Presidency for sympathy and practical assistance in the work of these institutions—a work which must in the future, as it has in the past, have its due influence on the welfare of the Anglo-Indian and Domiciled Community. For the rest we commend ourselves to the mercy of the All-wise and All-merciful God.

## APPENDIX A.

*Annual Medical Report of the Civil Orphan Asylums for the year 1917.*

1. *General health.*—There were 688 admissions in the in-patient department during the year against 569 in 1916 and 434 in 1915. The increase of 119 admissions during the year under report over those of the previous year was entirely due to an almost general outbreak of scabies among the children during the months of September, October, and November. The total number of admissions under this head during those three months was 245, against 131 during the remaining months of the year giving a total of 376 cases during the year.

The total number of admissions under the head of malaria and pyrexia of uncertain origin was 151 against 169 during the previous year. The largest number of admissions for fever was during the months of July, August, September and October; July admissions being 73, almost half the total for the year.

The admissions under the head of mumps were 6 against 118 in the previous year, and as in the previous year there were a few (9) cases of measles this year also.

There were no abnormal variations in the admissions for other diseases.

Twelve children were sent to the General Hospital for special treatment, of whom two boys, A. Moore and H. Burgher, died in the General Hospital, the former of 'Cerebral Tumour,' and the latter of 'Lobar Pneumonia.' Of the rest some were discharged cured, and some are still in the hospital.

There were 651 admissions among out-patients against 860 in the previous year.

2. *Diets.*—The revised scale of diet introduced in August 1915 is being continued. Children who fail to thrive on that scale of diet are given extra diet as they require.

3. *Epidemics.*—The epidemics were those mentioned in paragraph 1, namely, scabies, pyrexia of uncertain origin, and a few cases of measles and mumps. It is gratifying to state that during the year under report there was no general outbreak of chicken-pox as in 1915, or of mumps as in the year 1916.

4. *Hospital buildings.*—The main building and the two isolation sheds are in good repair. If funds permit, a compound wall for the hospital, to prevent children from school, during their leisure hours mixing up with children in the hospital, may, with advantage, be erected. This will be of special use when epidemics like chicken-pox, measles, etc., break out.

5. *Cost of medicines.*—The cost of medicines, etc., supplied from the medical stores was Rs. 269-0-0 against Rs. 127-12-11 in the year 1916. The increase during this year is due to the increased price of medical stores prevailing on account of the war.

6. *Staff.*—Major H. Kirkpatrick, B.A., M.B., I.M.S., Superintendent of Government Ophthalmic Hospital, continued to be in medical charge of the institution throughout the year and Civil Apothecary Mr. S. J. Mullens in sub-medical charge till the beginning of June when owing to ill health he was relieved of his duties and Civil Assistant Surgeon Mr. J. St. C. D. Bartley was appointed to act for him. Civil Assistant Surgeon Mr. Bartley was relieved on the 7th August by Civil Assistant Surgeon Mr. C. M. Philip who continued to be in sub-medical charge of the institution during the remainder of the year.

Nurse P. Browne was attached to the hospital throughout the year, and did efficient and satisfactory work.

7. *General Remarks.*—The sanitary condition of the buildings and out-houses is satisfactory.

It will be very beneficial to the health of the Institution if the large pit, adjacent to the girls' side kitchen and latrine, which serves as a breeding place for mosquitoes in the rainy season can be filled up.

On account of the clayey nature of the soil and proximity of subsoil water to the surface, the disposal of waste water remains a difficult problem which has not yet been solved.
