To,

Tindivanam.

Sir,

I have the honour to inform you that
in the newly established Board Secondary School
at Villupuram, there is a considerable number
of muhammadian boys, and I think, for their
benefit, the appointment of an hindusthani
munshi is quite necessary for the School. If
a hindusthani munshi is not appointed,
the muhammadian students will have to
suffer greatly, having no scope to improve
their mother tongue.

2 I have therefore, the honour to request
you to sanction the appointment of an able
hindusthani munshi for the Secondary School
at Villupuram and oblige.

I have the honour to be,

Sir,

your most obedient servant,

M. Khader Husain Saad

Submitted to the President, Taluk Board, Tiruvannam
Through The Inspector of Schools, Circle, Villore.

2. The number of muhammadian pupils in the
several classes is given in the margin.

In addition, there is a Rajput with very poor
knowledge of Tamil in the II form and a Hindustani
in the II form who would be glad to have instruc-
tion given in Hindustani.

3. The appointment of a munshi to teach this
language will certainly stimulate admissions
to the several classes in the school. Even as
it is, the numbers given above show the
necessity for munshi. There are schools in
which a Sanskrit pandit is employed for
teaching a smaller number of pupils.

4. A recurring subsidy of Rs 1900 seems to have
been sanctioned by the Government for the
appointment of Hindustani munshis in the
several schools of the Presidency in 1915.

In Rec 246 of 15 of 4. 9. 1915, I was asked
whether a munshi was wanted for this
school. I even then replied in the affir-
mative.

5. In case a munshi is to be appointed for this
school, I am afraid that funds could not be
provided from the revenues of the school itself.
The Government may be approached for the grant
of Rs 240 per annum at the rate of Rs 20 per
mensem, a very moderate salary for a really
qualified teacher.
