To The Secretary to the Government of Madras,
 HOME (EDUCATION) Department.
 Ootacamund.

Sir,

I have the honour to submit herewith a copy of a letter dated the 27th August 1918 from G. V. Ranga Rajayya, clerk, Office of the Assistant Archaeological Superintendent for Epigraphy, for the supply of certain photographs of this office to serve as illustrations to his book on the "South Indian Images". He proposes to publish the book in the different vernacular languages (Tamil, Telugu, Kanarese and Malayalam) and I hope it may prove useful to the public especially to those who do not know English. I would, therefore, strongly recommend that his request for the supply of photographs

free of cost may be granted since the attempt does not appear to me to be a commercial one.

I have the honour to be,

Sir,

Your most obedient servant,

H. Krishna Sastri.

Superintendent in charge.

to 1881 B, from the Arch. Supdt. 452, 2/3 9. 18.

G. V. Ranga Rajayya is the permanent camp clerk of the A. A. S. for Epigraphy on a salary of Rs 30-3-45 p.m. and, though a matriculate, has had good training in Epigraphical work, having acted on many an occasion as Epigraphical student. Please see (M) papers in No. 1043 Ed. 2, 4/7 13 Aug. 18, in which his request to be given a free Epigraphical Student's place was negatived by Govt.:

2 His proposed work on "South Indian Images" in the different vernaculars will presumably be an abridged translation of Mr. Krishna Sastri's recent work entitled "South Indian Images of Gods and Goddesses" and ~~will not be able to claim any originality~~. But it is probable that the non-English knowing public may find some use for it.

3 Mr. Krishna Sastri, who is now also in charge of the office of the Archaeological Supdt. strongly recommends the applicant's request for the free supply of Archaeological photo-prints to be latter on the

ground that the attempt to bring out the publication in question does not appear to be a commercial one.

If it is decided to comply with the request

Govt: may require something more than a mere state to this effect.

It is also not known how many photo prints Rangaswamy might require.

Ordinarily photo-prints are sold to the public and the rates of price are

given in G.O. 1418 Edn. 2, 12th Nov. 1917

If it is thought that the request can be granted, the Supdt. in charge may be asked to furnish Govt. with a list of the photo prints that the applicant requires with the prices for each that would ordinarily be chargeable to the public as per

G.O. 1418 Edn. 2, 12th Nov. 1917 + connected orders

Orders are solicited. It appears desirable to obtain the view of the permanent Supt. Mr. Longhurst

He is due to return from leave on 12th October 1918. This file may lie over till the 10th idam

Have we not recently granted such concession to some publisher or author?
