To The Secretary to the Government of Madras,

Through the Director of Public Instruction, Madras
Sir,

I have the honour to submit herewith for favour of approval and publication in the Fort Saint George Gazette, a draft notification under section 6 of the Land Acquisition Act in respect of the acquisition of 4,142 square feet of land required for the extension of the Banadurai Secondary School at Kumbakonam.

2. The site to be acquired lies in Town Survey No. 563 (Natham dry) of Ward No. I of the Kumbakonam Municipality and measures 4,142 square feet. The land and the super-structure thereon belong to one Natesa Pillai who objects to the

acquisition on the following grounds (1) that it is his hereditary property, (2) that his forefathers and himself have prospered as long as they lived on the site and (3) that he could not secure any other house for his residence. His objections are purely sentimental and must be overruled. He claims a sum of Rs.2,500 as compensation which is very high. This will be settled at the time of passing the award. An English translation of the objecting owner's statement is enclosed.

3. The Managing Committee of the school which has incorporated itself as a Company and which itself Registered under the Indian Companies Act is prepared to bear the cost of the acquisition.

I have the honour to be,

Sir,

Your most obedient servant,

M. Managum

I have received an order No. 1371 of 1918, notifying that S.No. 563 and the house thereon belonging to me are to be acquired by Government for a public purpose and that I may put forth my objections, if any, to the acquisition. The house I am now living in is my hereditary property and it has been in the enjoyment of my forefathers from a long time. They and myself have been prospering well in it. The house is built of bricks and consists of two portions of which the front one is tiled and the back thatched. I have got a big family and I have no other house to live in. I am not - therefore willing to part with the land ^{and} the house. I do not find any necessity to acquire my house for extending the Banadurai school. Moreover the cost of purchasing house sites and building houses thereon is very high nowadays.

In case my house is to be compulsorily acquired by Government, it is just and proper to grant me in exchange a similar auspicious house in the same street or a sum of Rs.2,500 will have to be paid to me as compensation for the site, building trees etc.

Under the above circumstances I pray that my house may not be acquired.

Sd/-Natesa Pillai.

to bind themselves to pay such larger amount as may be found necessary on actual determination of the award.

3. After acquisition the property should be conveyed to the authorities of the school by a formal deed of conveyance to be drawn up in consultation with the Govt. Solicitor.
