Circle, and to state as follows:

2. The individual is said to have studied up to the V Form, is 42 years old and has put in over 20 years service. On the recommendation of the Assistant Commissioner, supported by the then Deputy Commissioner, the Board, in its Proceedings R.No. 3378 Salt dated 8th November 1909, was pleased to exempt him for employment as Sub-Inspector in acting, sub pro tem or temporary vacancies. He was appointed as acting Sub-Inspector from 21st December 1909, continued as such till 30th April 1914 and was made sub pro tem from 1st May 1914. He continues to show good work as is evidenced by the fact that successive officers have been recommending his permanent exemption and confirmation. He has shown detective work which consists not only of petty breaches of the Act, but also of grave crime such as illicit distillation and kindred offences.

Reference is solicited to para III (b) of this office R.B.R. No. 1142 of 1917 dated 30th December 1917 disposed of in Board's Proceedings D.No. 99 Abkari dated 7th February 1918, from which it will be observed that the individual detected 21 cases of illicit distillation on one day.

3. The present Assistant Commissioner, Masulipatam, urges the permanent exemption of the individual and I am fully satisfied that his case is a typical one deserving of special consideration. I would therefore venture to approach the Board with the request that he may be permanently exempted from the examination rules for employment as a Sub-Inspector.

4. His service book is submitted for reference and favour of return."

REFERENCE.

Submitted to Government with support.

2. The Board recommends that the individual may be exempted from the examination rules for employment as Sub-Inspector up to the second grade on Rs 60.

Secretary.

To the Secretary to Government, Educational Department, with an application, (paras 1 and 2).
