I have the honour to submit herewith the petition

al tests. He was, on my recommendation,

dated 3rd August 1917, to hold posts carrying a pay not exceeding
Rs.30 per mensem. In my letter disposed of in Board's Proceedings,
I have referred to the opinions of two Divisional Officers about the
character and attainments of this clerk. Now, a third Divisional Offi-
cer P.Koonjayan Sahib, Khan Sahib, also speaks very highly about him.
By an arrangement made in the Divisional Office, Mangalore, Balakrishna
who is only a clerk on Rs.20 is doing the magisterial work of the second
clerk on Rs.40. This fact would show that the opinions expressed by
the several Divisional officers about the capacity for work of this clerk
are justified. He therefore deserves the concession applied for by
him. The interests of the public service will not, I think, suffer by
permitting him to appear for the special tests. He belongs to the
Vaishya community which is poorly represented in the public service in
this district. I therefore beg to recommend that the Board may be
pleased to obtain the sanction of Government for permitting him to
appear for all the special tests which are now open to the holders of
completed Secondary School Leaving Certificates.

2. I count a total service of 16 years in the various departments of Government. I began service in the

Settlement Department in 1902. When the Settlement operations were completed in this District I entered the Revenue

Department in 1905 and served as Shroff in the Mangalore Taluk

office till 1908 when I was taken to the Mangalore Taluk ---

Board's office by the Divisional Officer. In 1914 Dewan

Bahadur M. R. Ry. C. Gopalan Nair, Avl., who was then the

Divisional Officer transferred me to his office as an acting

clerk and confirmed me in the post in 1916. I have ventured

to trouble your Honour with this account of my service in

order to show that I have gained experience of various ---

branches of work having served in all the places to the ---

satisfaction of my superiors as is borne out by the enclosed

copies of testimonials. I beg to submit that I am now in

charge of the Magisterial work and have been doing that work

for about a year.

3. I studied up to the Matriculation class but

having once failed could not prosecute my studies owing to

straitened circumstances. Being an unpassed man I was not

eligible for promotion. When I placed my hard case before your Honour last year your Honour was pleased to sympathise with me and to move the Board to grant me an exemption from Examination rules. The Board accepted your Honour's recommendation and exempted me from the Rules so as to enable me to hold posts carrying a salary of not more than Rs.30/- per mensem.

4. I now beg to approach your Honour with a prayer that your Honour may be pleased to kindly move the Board to permit me to appear for the Special Tests which have now been thrown open to all holders of S. S. L. C. who are in service irrespective of the number of marks they have obtained in their School Final Examination. I beg respectfully and humbly urge that I have a claim to the concession having served under Government so long when raw School Final men who did not succeed better in the Examination are entitled to appear for the various Tests. I venture to trust that my knowledge of English is not below that of the School Final standard while the experience of Revenue and Magisterial work gained by me will enable me to pass the Tests with greater ease than a raw School Final. As it is I have no hope of rising above Rs.30/- which is, I needly hardly submit a disheartening prospect for a family man like me in these hard days. If on the other hand the Board be pleased to grant the concession sought by me the interest of public service will not suffer since I shall be promoted only if ³ I --- prove my efficiency by passing the prescribed Tests. In this connection I beg to bring to your Honour's notice that there are in the Public Service only ^{representative} two including myself, (~~representatives~~) of my community which is very backward in Education.

5. In conclusion I beg to repeat my prayer and to solicit your Honour's sympathetic consideration thereof. If in the circumstances set forth above your Honour be pleased

6
to extend your sympathy to a poor servant, I shall ever be grateful for the kindness.

I beg to remain,

Honoured Sir,

Your Honour's most obedient servant,

— andala krishna. —
Clerk.

Endorsement on the petition dated 24th March 1916.

Ever since I took charge of this Division I had clerk Balakrishna in this office as an acting clerk and while new Magisterial clerks were coming in quite inexperienced in their work, Balakrishna with his experience of this work was so serviceable that he was for months together in sole charge of the Magisterial work and it was my idea to confirm him as clerk in the first vacancy. This note is left for my --- successor with a recommendation that if there should be vacancy in his time, Balakrishna may be confirmed at the earliest chance.
