Chicacole, 20 September 18

To

District Judge, Ganjam.

Respected Sir,

The applicant K. V. Ramanayya is the 4th clerk working on the original side as Bench Clerk in this court, about whom I made special representation to you on 8-9-18 when I paid my respects to you at Berhampore.

2. My predecessors had good opinion of his character and abilities and I can without hesitation endorse all that was said of him by my predecessors. He is honest and straight forward and bears a good character and has been discharging his duties to my satisfaction. He is thoroughly conversant with all the branches of work in a civil court. He is hardworking, willing and capable subordinate. He deserves special encouragement for those qualities of him.

3. He passed the Intermediate Test in Type-writing. His knowledge and command of English place him above the level of an intelligent Matriculate. He has put in more than 10 years service and deserves the permanent exemption for which he has applied and his case may be treated ~~exemptie~~ as a special one.

4. I therefore submit herewith his application and other papers and request that you may be good enough to recommend him to the Government through the Registrar of the High Court, Madras so that the permanent exemption for which he has applied may be granted to him as a special case.

I beg to remain,

Respected sir,

Your most obedient servant,

THE SECRETARY TO THE GOVERNMENT,
EDUCATIONAL DEPARTMENT,
MADRAS

Through

The District Judge of Ganjam,
Berhampur.

MOST HONOURED SIR,

I, K.V. Ramaniah, Permanent 4th clerk and Bench clerk original side, Chicacole District Munsif's court, most humbly beg to represent the following few lines for your benign consideration.

2. I have passed the late Lower Secondary Examination and completed the course prescribed for the Matriculation examination. In the year 1906 I have passed the Government Technical Examination of the Elementary grade in Type-Writing and in 1910 the Intermediate grade also.

3. My first appointment on the establishment of this court as sub protem 6th clerk was in 1907 and though the educational rules then in force required passed candidates for clerks' posts carrying Rs.15 and upwards, I was entertained specially because I was technically qualified to hold a typist's post whose pay starts from Rs.20. Since then I have put in upwards of 10 years service in the department. During this period I have had opportunities of working in the Ganjam District Court as Examiner of Copies, in the sub Court as clerk and in the Principal District Munsif's court of Berhampur and this court as Judgment fair-copying clerk from time to time. I have been Bench clerk original side of this court for about 7 years ever since my transfer from Berhampur in ~~1907~~ 1911 and I am thoroughly conversant with all the branches of work of a District Munsif's court.

4. As 4th clerk of this court my salary is only Rs.20 a month. If I should be so fortunate as to secure the place of a typist in any District Court for which I have been aspiring ever since my enlistment in this department, I hope to be given a salary of Rs.25 to Rs.35 in as much as I passed the Intermediate Test in type-writing in 1910. But the opportunities of my being appointed typist in this department or elsewhere are too few and far between and, as as an ordinary clerk, I am debarred from aspiring for further promotion by virtue of Art. 1 of the Public Service Notification, in spite of my hard work and service which have been unanimously appreciated by successive officers who presided over this court

5. In conclusion, I most humbly pray that your Honour may be graciously pleased to grant me permanent exemption from the provisions of Art.1 of the Public Service Notification to hold posts carrying a salary of at least Rs.30.

For which act of benevolence I shall, as in duty bound, pray.

I respectfully beg to enclose hereto copies of testimonials and letters testifying to my work capabilities and behaviour.

I beg to remain,

MOST HONOURED SIR,

Your most obedient servant

Sir,

I have the honour to submit the accompanying application of K. Venkataramanayya, 5th Clerk of this court for favourable consideration. As appears from the testimonials appended, my predecessors held good opinion of his character and capabilities. I endorse all my predecessors said of him and add that he is easily and by far the most-hard working and capable clerk of this court. He speaks and writes English correctly and better than average under-graduate. He has a working knowledge of law and legal procedure. His memory is somewhat remarkable and he can repeat the history of any pending case without reference to the records. He knows Type-writing and Short-hand. His work as the Bench Clerk is very heavy and he does it efficiently and without complaint. He has been really working very hard. He is scrupulously honest and bears good character. Altogether I can confidently recommend him for the exemption he prays for.

Sir,

I have the honour to submit for your approval the leave nomination roll of K.V.Ramanayya of my court. He has been doing fair-copying work of this court by typing very satisfactorily. My predecessor promised to give him a place on Rs.15 and when I appointed him to a Rs.15 clerk's post, the District Court did not approve of it. He has been working in my office receiving pay which is poor pittance when compared to the work he has been doing. He is offered an acting place on Rs.20/- to Rs.25/- in the public works department and he applies for six months' leave with permission to accept the place. There is no chance of providing him with a better place in my office in the near future, and I have therefore granted him the leave applied for, and request that you will be pleased to approve of it.

Sir,

I beg to forward herewith an application of K.V. Ramanayya Pantulu a clerk of my court. He is engaged in fair-copying of judgments and drafting decrees. He knows his work very well, and is an excellent Typist. He is an intelligent young man and does not grudge to do any amount of work. He types very neatly and quickly, and I am sure he will give entire satisfaction in the discharge of his duties. I strongly - recommend him for the place applied for.

I have very great pleasure in certifying that Mr.K.V. Ramanayya, who was a student for about 6 years and who after completing the course prescribed for the Matriculation Examination, discontinued his studies in September 1905, was diligent in the prosecution of his studies, attentive and respectful to his

His teachers whose good opinion he invariably gained as he proceeded from one class to the next higher. After leaving the school, he has learnt Type-writing privately in which he has passed the Government Examination of the Intermediate Grade. This technical knowledge has obtained for him an appointment in the Local Munsif's Court, where I hear he has been doing good honest work. He has opened a class for instruction in Type-writing of the Elementary Grade, and the result of the public examination last year is very creditable to him, four out of his 6 pupils having come out successful. He has done some Type-writing work for my self speedily, correctly and very neatly and I do not hesitate to recommend him strongly to any officer who may require the services of an honest, well-behaving and intelligent Typist.

I have known the bearer, K.V. Ramanayya for over 8 years both as a pupil and otherwise. He was reading in the High School Forms in the years 1902, 03, 04, and was attending my English and Science classes. I always found him regular in his attendance and diligent in his studies. He was good at Gymnastics and fairly well up in English.

Since leaving school he has been employed as a Typist in the Local District Munsif's Court and has passed the Government Technical Examination in Type-writing of the Intermediate grade. He is a young man of good character, endowed with good expressive power and induced with a strong sense of duty. I shall be glad to learn that he has succeeded in his attempts to secure a Technical Teacher's post in some Secondary School.

Subject: - Exemption from exam. rules.

As will be observed from para 4 of the appl. at p. 7, 2nd, the clerk can aspire to a typist's place in any Govt. office which would fetch him Rs 25-1-35 p.M.. The reason for this appl. for exemption from general educational qualification is that the chances for his appl. as a typewriting clerk are ^{very} few ~~and~~. Attention is in this connection solicited to S.O. No. 1137 Sdls., d/ 13th Oct. 1915 wherein an appl. on behalf of the identical individual for exemption from exam. rules with a view to his appearing for special tests was rejected; ~~the~~ the present appl. however makes no mention of this previous order of Govt.

2 Judicial may in the first instance be asked if they would support the present appl. for exemption so as to enable the clerk's appl. in clerical post on Rs 30 p.M.

This Dept may perhaps agree with J. 11-8 that the applicant can in his own sphere as a typist use up to Rs 35 p. m. in any office since he has passed the typewriting Exam. in the Intermediate grade and that no exemption is therefore called for. The High Court does not make a recommendation either way. The exemption is not demanded by public interests.
