No. 1784/17

Station Madras, Dated the 1st October 1918 September

From (Name) the Hon'ble Mr. H. S. Duncan, M.A.,

(Designation) Ag. Director of Public Instruction,
MADRAS.

To The Secretary to the Government of Madras,

HOME (EDUCATION) Department.

Sir, /Through the Accountant-General, Madras/.

With the object of improving the work of the lower forms and classes of the Secondary Schools in the Presidency I arranged for a set of syllabuses to be drawn up in English, Elementary Mathematics, Elementary Science, Geography and History by officers of the Department. As I considered that the opinion of the Headmasters of some select High Schools as to the suitability of the syllabuses would be valuable, I addressed the Secretary of the Head-

Letter No. 2 dated 11th September 1918 from the
Secretary, Headmasters' Association, Madras.

Masters' Association to nominate in consultation with the Association a strong Committee consisting of about twenty Headmasters of Secondary Schools for the purpose of scrutinizing and reporting upon the syllabuses. I enclose herein a copy of the letter from the Secretary reporting the appointment of a Committee for the purpose and requesting sanction of travelling allowance to the members of the Committee who are to meet at Madras for making final recommendations on the syllabuses after they have been considered by the Sub-Committees. I have the honour therefore to recommend that the members of the Committee may be allowed travelling allowance at the rates admissible to officers of the Second Class with a daily allowance of Rs. 3 per day for a period of two days.

I have the honour to be,
Sir,

Your most obedient Servant,

R. A. Srinivasan
for Director of Public Instruction

Y.V./30/9

In accordance with your R. C. No. 1784/17 dated 5th August 1918 a committee of Headmasters was appointed at the Conference of Headmasters that met here on the 30th and the 31st of last month. And in conformity with the wish expressed by you in your R. C. No. 1784/17 dated the 24th August, Miss Prager, Superintendent, Government Secondary and Training School, Triplicane and Miss Varley of the London Mission, Vepery have been included in this Committee. It was resolved at the Conference that the Committee do make its recommendations on the syllabuses about the 20th October but since it was subsequently feared that there might not be sufficient time for full discussion and exchange of opinions before this date, it has been decided to postpone the meeting of the Committee till Christmas. The Committee will meet in Madras.

In the annexure I give the names of the Headmasters that constitute the Committee and the Sub-Committees appointed by the Conference. By common consent, the ladies are to be on all the sub-committees.

I request you will be pleased to pass early orders on the question of payment of travelling allowance to the members of the Committee who are to meet here for making final recommendations on the syllabuses.
