Sir, (Through the Accountant - General).

I have the honour to request that Government will be pleased to sanction the employment of a storekeeper on a pay of Rs. 20-1-30 per mensem in the Government Arts College, Rajahmundry, with effect from 1st March 1919.

2. The Principal reports that the apparatus and chemicals in the science department of the college as also the tools, instruments etc. in the workshop attached thereto have to be periodically checked and the stock book brought up to date, and that a day-book has to be maintained of chemicals issued and apparatus rendered useless by breakage etc. Mr. Couldrey remarks

that this is sufficient work for one individual and cannot be entrusted to a member of the science staff of the college without prejudice to more important work. He accordingly recommends the employment of a storekeeper. A similar appointment in the case of the Government College, Kumbakonam, was sanctioned in G.O. No. 1540 Home (Education), dated 5th December 1917.

3. Should Government approve the proposal, I beg to request that instructions may be issued to the Accountant-General for the inclusion of the necessary provision in the Budget Estimates for 1919-1920.

4. A statement showing the sanctioned scale of staff and establishment for the college is submitted herewith.

I have the honour to be,

S i r,

Your most obedient servant,

for Director of Public Instruction.

[Subject - Employment of a
store-keeper on a pay of Rs 20-30
per mensem in the Government
Arts College, Raja Kumudry with
effect from the 1st March 1917]

The sanctioned scale of staff and
establishment of the Govt Arts College
Raja Kumudry does not include
a store-keeper who will be in
charge of all the stores of the chemical
dept and keep a regular account
of all the incomings & outgoings,
packages of chemicals & chemical
apparatus and who will maintain
the necessary registers. The need of
the appointment of a store-keeper
was realized when the Govt

College at Kumbatkonam was allowed
to employ one in G.O. 1540, of 5.2.17.

The reasons that prevailed in
the case of Kumbatkonam may
be applied with equal cogency
to the Raja Kumudry College. The
sanctioned scale of establishment
in the service is not sufficient
and therefore, there are in all 2

In view of their
reputation more established

Laboratory attendants & 2 persons to look after both the chemical & the physical departments. As the Principal points out there is a need of a slave-keeper to keep a day-book of chemicals issued & to look after the workshop attached to the laboratory. The proposal of the D. P. (May be sanctioned).
