Sir,

(J) With reference to G. O. No. 1100 dated 30th August 1918, I have the honour to request you will be so good as to obtain the orders of Government to allow B. K. Ramaprasad to avail himself of the scholarship awarded in the G. O. referred to with effect from April 1919.

2. He has been a student in the Indian Institute of Science, Bangalore, for over two years and will finish his three years course in March 1919 and his Professor, Dr. Hay, is strongly of opinion that it is desirable that he should

complete his course before taking advantage of the scholarship. I enclose a copy of Dr. Hay's letter. I consulted the Home (Education) Department by telephone at <sup>Coimbatore</sup> on the possibility of the scholarship being deferred and was informed that there would be no difficulty about it. Consequently I have informed the Accountant-General and Ramaprasad accordingly.

I have the honour to be,

Sir,

Your most obedient Servant,

R. A. A. A.

for Director of Public Instruction.

Letter No. 709 dated 3rd September 1918 from Dr. Hay,  
Indian Institute of Science, Bangalore.

Your telegram of the 31st August addressed to the Manager of the Hydro-Electric Station at Sivasamudram asking for the address of B. K. Ram Prasad, has been forwarded to me here.

Mr. B. K. Ram Prasad has been a student here for over two years and hopes to finish his course of training by the end of next March. I have informed him that the Government of India have sanctioned the grant of a state scholarship to him. He is extremely anxious to complete his course of training at the Indian Institute of Science before taking advantage of the scholarship. I am of opinion that it is highly desirable that he should be allowed to finish his course here before proceeding abroad. I would therefore very strongly urge that permission to that effect be given him.

Trusting that no objection will be raised to this suggestion.
