G.O. No. 521, Educational, dated 31st July 1911.

ABSTRACT.—Approving the revised rules relating to the working of the Lawrence Asylum, Ootacamund.

II

Letter—from the Rev. W. H. G. PADFIELD, M.A., Principal and Secretary,
Lawrence Memorial School, Ootacamund.

To—the Secretary to Government, Home (Education) Department (through the
Director of Public Instruction).

Dated—the 11th October 1918.

No.—C. 2735.

I have the honour to report that the Officer Commanding Royal Artillery Depot, Jubbulpore, considers that he is not required to pay to the school the separation allowance, now paid to the mother, for the two boys of Gunner J. A. Evans of 94th Battery, Royal Garrison Artillery on field service. He states that he is unaware of any Government Order by which the school can claim the separation allowance of soldiers' children.

The school is obtaining the separation allowance in lieu of fees for all the other soldiers' children in the school whose fathers are on field service and who are entitled to it, and the Controller of Military Accounts, 9th division, states that 'there is no objection to the Principal claiming separation allowance on behalf of children remaining in the school of soldiers on service direct from this office.'

As separation allowances for children are granted by Government for the maintenance of the children, and as the children are being clothed, boarded, and educated in the school, the committee think that separation allowances and pensions paid by Government should come to the school, and not be paid to the mother.

The committee would therefore venture to suggest that Government may be pleased to amend rule 41 as follows :—

The children of soldiers of the rank of corporal or private shall be admitted free of charge beyond payment of the subsistence allowance, separation allowance or pensions drawn for them.

III

Endorsement of the Director of Public Instruction, N.R.C. No. 8659,
dated 31st October 1918.

Submitted to Government and recommended.

NOTES CONNECTED WITH G.O. No. 1451, HOME (EDUCATION),
DATED 13TH NOVEMBER 1918

[SUBJECT.—*Rules of the Lawrence Memorial School, Ootacamund.*]

HOME (EDUCATION) DEPARTMENT.

From the Director of Public Instruction, N.R.C. No. 8659, dated
31st October 1918.

Prior to the last general revision of the rules relating to the Lawrence Memorial School, Ootacamund, rule 41 of those rules which is now sought to be amended stood as follows:—

"The children of soldiers of the rank of corporal or private or of pensioners who are drawing only the pay of those ranks shall be admitted free of charge"—page 8 of notes to G.O. No. 521, Educational, dated 31st July 1911.

When the rules underwent general revision in 1911, this particular rule was amended as follows so as to enable the school to get the subsistence allowance given by the Military Department on behalf of the children of soldiers:—

"The children of soldiers of the rank of corporal or private shall be admitted free of charge beyond payment of the subsistence allowance drawn for them."

It was then represented by the committee that the amendment was in conformity with actual practice (Cf. page 4 of G.O. No. 521, Educational, dated 31st July 1911 and notes at page 8 *ibid*). On this ground the further amendment now proposed may also be approved as it is stated that the school is actually obtaining, in lieu of fees, the separation allowance drawn by soldiers in field service on behalf of their children. The Director of Public Instruction also supports the proposal.

2. A draft order is submitted. The revised rules of 1911 were placed on Editors' table. For orders whether the present Government Order should also be placed on Editors' table.

The proposed amendment is in the spirit of that previously sanctioned. It seems, however, too small a matter for the Editors' table.
