Letter No.321, dated 8th October 1918, from the Chairman, University Library Committee, to the Registrar, University of Madras.

With reference to your letter No.6883 of the 2nd instant, requesting me to expedite the despatch of the list of Scientific Periodicals, I have the honour to inform you that the necessary instructions and printed forms, required for the preparation of the list, were received from the Bureau of Education, Simla, only about the beginning of September last and it is hoped that the list will be completed in the course of this month.

I have to add in this connection that the Curator, Bureau of Education, in his letter No.273 dated 31st August 1918, requested me to forward the list direct to Mr. C.F.H. Tacchella, M.A. Librarian, Indian Institute of Science, Bangalore, who is compiling a consolidated list for India. But the Local Government in their Memorandum No.1335 B-1, Home Department (Education), dated 8th July 1918 have requested the Syndicate to submit the list in question to them. If the permission of the Local Government is deemed necessary to forward the list direct to Bangalore, as desired by the Bureau of Education, I would suggest that Government may be addressed on the subject in the meanwhile.

Sir,

With reference to Memorandum No. 1335 B-1, Home (Education) Department, dated 8th July 1918, requesting the Syndicate to furnish the Government with a list of Scientific Periodicals in the University Library for supply to the Government of India and subsequent correspondence thereon, I have the honour to forward herewith a copy of letter No. 342, dated 29th October 1918, from the Chairman, University Library Committee, with the list of Scientific Periodicals and a copy of Library rules referred to therein. The Chairman has replied that a second list cannot with convenience be furnished in the required form, the original list having been at that time already despatched from the Library. No list has therefore been sent to Mr. C.F.H. Tacchella, Librarian, Indian Institute of Science, Bangalore, as was requested by the Curator, Bureau of Education, Simla. To avoid unnecessary delay the original list is now forwarded to the Government with the request that, if it is not now required that the Library should furnish a duplicate, this original

For the Registrar.

The Registrar, University of Madras enquires whether the list of Scientific Periodicals, when ready, should be sent to the local Govt or to the Librarian, Indian Institute of Science

Science, Bangalore, as desired by the curator, Bureau of Education. The object of the Govt. of India in asking the local Govt. to collect and forward these lists was to avoid the confusion that might arise by the lists of periodicals in isolated institutions reaching the Bureau of Education - para. 2 of the Govt. of India's letter in G.O. no. 1355 of 30.10.17. In the present case, as the curator of the Bureau himself desires that the list should be sent to the Librarian of the Indian Institute of Science, Bangalore for consolidation, there appears to be no objection to such a procedure. The Registrar of the University may, however, be requested to forward a copy of the list to the local Govt. for being forwarded to the Govt. of India with reference to their letter of the 21.10.18 last.
