ENCLOSURES

(i)

Dispatch—from the Government of India, Finance Department (Salaries, Establishments, etc.—Education).
To—His Majesty's Secretary of State for India.
Dated—Simla, the 31st May 1918.
No.—115.

In his Public dispatch No. 87, dated the 7th May 1915, Lord Crewe sanctioned the establishment of a Government College for Women in Madras on a tentative and experimental basis and stated that he would be glad to receive in due course a report on the results attained. Since then a proposal to develop the college (which is now known as the Queen Mary's College for Women), so as to provide instruction in the B.A. (pass) degree courses, has been sanctioned—vide correspondence ending with your predecessor's telegram of the 17th August 1916.

The Local Government have now forwarded a report on the college by the Principal which bears witness to a very successful record of work during the first three years of its existence. They also mention, as indicating the interest in the college and the confidence in its permanency which the results already attained have produced, that the Maharaja of Jeypore has recently made a contribution of Rs. 1,00,000 for the construction of additional buildings. In these circumstances we commend to your favourable consideration the Local Government's recommendation that the institution may now be placed on a permanent footing. A proposition statement showing the establishment required is attached (enclosure No. 5) from which it will be seen that the additional permanent expenditure involved will be Rs. 37,190½ per annum exclusive of contingencies, and supplies and services. This is the same as the expenditure at present incurred on a temporary basis.

(ii)

Should it be improbable that your orders on proposal to place college on permanent footing will reach us before 17th September we request sanction by telegram to retention of additional Professor till they are received.

(iii)
