The humble memorial of *N. Govinda Sastry* who failed in the old Matriculation Examination and who is styled as unpassed man and thus shut out of every chance of improvement in life, more especially, after the introduction of the S.S.L.C system respectfully sheweth:---

(1) In G.O. No. 1021 Home dated 6th August 1917, the holders of S.S.L.C irrespective of the marks obtained are allowed to appear for all the various examinations held under the Special Tests Notification. Again in G.O. No. 1444, Home, dated 16th November 1917 it is expressed that a completed Secondary School Leaving Certificate signifies that the holder thereof has completed his studies up to and inclusive of the Sixth Form of a Secondary School and has kept all his terms and appeared for the Public Examination at the end of the course. The memorialist begs leave to entreat the Government that when the holders of S.S.L.C irrespective of the marks obtained are so benefitted why the same benefit should not be given to the failed candidates of the Matriculation Examination prior to 1909, who have kept all their terms and appeared for the Examination at the end of their course. Prior to 1909 this was not the case. It was only after a thorough and critical examination called the selection or the preliminary examination candidates were sent up to the University Examination. Had the latter been given certificates, entering the marks obtained, they too would have been eligible to appear for all the various examinations held under the Special Tests Notification.

(2) Secondly, the Public Service Notification published on page 314 Part I-B of the Fort St. George Gazette dated the 28th May 1918 runs thus:---

"Natives of India who have not attended any Secondary School will be eligible for superior posts on sanctioned pay of Rs. 20 and above, 'if they satisfy the Government that they have received an education at least up to the standard of the late Upper Secondary or Matriculation Examination". [The phrase at least up to is clear enough to show that the candidates who have just undergone the course of study in the Matriculation class are eligible for superior posts on sanctioned pay of Rs. 20 and above, if they satisfy the Government. [Nevertheless, on a petition submitted to the Superintending Engineer the petitioner has been informed that the Superintending Engineer is not prepared to appoint any one to the permanent clerical establishment who is not qualified under the Article of the Public Service Notification. Besides, the Executive Engineer has issued notice that the services of unpassed men who have been working for more than 2 years will cease, despite the notification which runs thus:--

"This article does not preclude the promotion to or confirmation in appointments carrying pay of Rs. 20 per mensem of persons who prior to the 6th August 1917*.....

(b) for not less than 2 years had acted in permanent appointments carrying pay of Rs. 20 per mensem or held temporary appointments on that pay".

(3) Lastly, the teachers in the Education Department who failed in the late Upper Secondary Examination or Matriculation Examination are allowed to appear for the Special Examination under the School Leaving Certificate scheme with reference to G.O. No. 1019 Home dated 27th September 1916. If this scheme be extended to the other Departments they too will be benefitted thereby and better their prospects.

2. The ^{only} points ~~mentioned~~ concerning this
Dept. is that ^{mentioned} in the portion marked B
on page 2C-7. In the S.E.'s letter
No. 8064 of 23.9.18 (linked file), he
states that it ~~will not~~ be possible
to bring ^{to the permanent establishment} the acting & temporary men who
satisfy the conditions in para 3(h) of S.O. No. 991
Home (Educ) of 29.7.18, ~~as vacancies occur~~ in
preference to passed men, especially as there
are already a number of ~~passed~~ unpassed
men on the permanent establishment. This
argument of the S.E. is, it is submitted,
untenable. The acting & temporary men in
question should be made permanent
in their turn according to their seniority in
length of service when vacancies occur
in appointments up to 20. In the linked
file it is proposed to inform the S.E.
accordingly.

Of course G.O. 991 does not say that
these unpaid men with service should
be preferred to passed men. That is a matter
for the P.W.D. It merely renders such unpaid
men eligible for consideration as to 20 Re:

Please see the note by the Home (Edl) Dept. on p 2 ante. The memorialists requests ~~as mentioned in their letter~~ ~~as mentioned in their letter~~ are:

- (i) To make them eligible to appear for all the various examinations held under the Special Test Notification.
- (ii) To make them eligible for superior posts on sanctioned pay of Rs 20 & above.

They have having kept terms and appeared for an examination ~~at the end of their course~~ like the S.S.C. men

- (iii) To allow them to appear for the Special Examination under the School Leaving Certificate Scheme with ref. to 40 & 1019 Home 27.9.1916. Thus the memorialists pray for the uplift of the so-called unpassed men & not merely for confirmation in 20 Re: Appis as noted on by the Home (Edl) Dept. at H on p.2. ante. The portion marked B on p.2. cf. relates

[accepted by Home (20)]

to this & a memo informing the SE that acting & temp. men should be made permanent in their turn according to their seniority in length of service when vacancies occur in 20 Re: Appis, is under issue in this Dept. The other points, are to be decided by Home (Edl).

The petitions in the current file are so vaguely worded so that one cannot really understand what is the specific request made in them. It would strike one that the refer. to the Special Exam: for teachers under the S. S. T. C. Board (para (3), p. 2, c. f.) and the ~~concession~~ ^(under certain conditions) of appearing for special tests, allowed in the case of natives of India who have not attended a secondary school (para (2) ibid) was meant to back up the petitioners' prayer for confirmation in 20 Re: appts: (para (2), p. 2, c. f.). It was however so understood by this Dept: in the first instance and the Sub-Divisional officer's order: d/ 12th Sep. 1918 also helped this construction. 2. It, in view of the P.W. Dept: note on the previous page,

The three requests mentioned remain one to be categorically considered, it is thought that the petitions stand liable to be rejected.

In regard to the first two requests, viz — those relating to appearance at Special tests and promotion to posts carrying a pay of over Rs 20 p.M., attention is invited

(H) to G.O. No. 747 Edn., dt/ 27th Oct. 1911 in which it was held that the ^{in question} ~~could~~ ^{not} be claimed by persons who actually attended a course of instruction in a Secondary School. The third request praying for permission to appear for the Special Exam: for teachers cannot obviously be allowed to ^{person} ~~nominate~~ other ^{than} those in the teaching profession since the object of that Exam: is entirely to bring into being a sufficient supply of Secondary grade trained teachers.

(I) Please see in this connection papers recorded in G.O. No. 1580 Edn., dt/ 14th Dec. 1917. In these cases the memorials may be rejected. [It is observed that the P.W.D. have
