G.O. No. 1475

DATED 20. 11. 18

[Despatch Abstract.]

Indian Mathematical Society.-

Informing the Honorary Secretary, -----
that officers who desire to attend the second conference
of the Society to be held at Bombay in January next
should apply to the Government for permission to do so
and that if the necessary permission is granted they
will be treated as on duty and allowed travelling allow-
ance admissible under the provisions of the C.S.R.

D. D. KAPADIA, M.A., B.Sc.,
Hon. Joint Secretary.

2414, East Street,

Poona 15th October 1918.

The Secretary to Government,
Educational Department,
M a d r a s.

Sir,

Under instructions from the President and the Committee of the Indian Mathematical Society, I have to address you the following few lines and I trust that they will receive your favourable consideration.

The Indian Mathematical Society was founded in 1907, for the promotion of Mathematical Study and Research in India, and has been the First of its kind in India. It includes amongst its members nearly all the teachers in mathematics at the various colleges in Bombay, Madras, the Panjab, the Central Provinces and the various Indian States, - several of the school teachers, and also gentlemen interested in Mathematics though outside the Educational Dept. The Society publishes every two months a Journal which has a wide circulation throughout India and even in Europe and America.

Scattered as we are over nearly the whole of India, we with some difficulty managed to hold successfully the First Conference of our Society on the 27th, 28th, and 29th of December 1916, at Madras under the kind patronage of H.E. Lord Pentland, Governor of Madras. The Government of Bombay, on that occasion, obliged us by granting travelling allowances to all Bombay Govt.

Report
Substantiated
Lr

servants attending our conference at Madras. A copy of our Journal containing the full details of our First Conference is sent herewith for your kind information.

His Excellency Lord Pentland in the concluding part of his opening address (p.14 of the Journal sent herewith) suggested that it would be desirable in order to enable persons to take advantage of both our Conference and the Indian Science Congress, to hold future conferences of our Society at the same place and about the same time as the Science Congress as far as practicable. Keeping this in view, we have decided this time to hold a second Conference of our Society on or about the 10th, 11th and 12th of January 1919. The Indian Science Congress meets on the 13th of January 1919 in Bombay. Ordinary travelling allowances are granted by most of the Provincial Governments to persons attending the Science Congress Sessions. The work done by our Society at its Conference is nearly on the same lines as those of the Science Congress, and this will be a good opportunity for our members to attend both the Conference and the Congress.

Under these circumstances, I am desirous to request you to be kind enough to move your Government to grant permission to all our members under Government's employ- to attend our Conference as on duty and to grant the Travelling Allowances under the usual regulations as granted generally for the Science Congress.

(3)

I do not wish to encroach upon your valuable ^{time} by dilating on the advantages to be derived by such conferences, and I need hardly assure you that such small concessions will go a good way towards fostering and stimulating scientific activities in India.

I shall feel highly obliged if you will kindly consider this matter as urgent and favour me with a favourable reply from your Government at your convenience to enable me to inform our members in time.

I have the honour, to be,

Sir,

Your most obedient ^rsevant.

P. S. Kapadia

Hon. Joint Secretary,

The Indian Mathematical Society.

Forwarded through the Director of Public Instruction, Madras,
for favour of favourable recommendation to Government.

Home(Education)Department.

In the case of the Science Congress it has been the practice to accord sanction only in individual cases vide G.O.No.1211,dated the 17th November 1916 and G.O.No.1517,dated the 30th November 1917. In the present case also, it appears desirable to accord sanction only on applications submitted by individual officers.
