In continuation of this Office letter No. Kis PA-4-
11739 dated 18-9-18, I have the honour to forward herewith a copy
of letter No. P-28-2199 dated 2-10-18 from the Accountant General,
Bombay, and to suggest that the procedure adopted in the case of
the Punjab ^{Scholar} may also be adopted in the case of Mr. S. Dakshinamurti.
This procedure of payment of cost of the passage to the scholar
leaving him to make his own arrangements seems to have been thought
to be simpler evidently on account of the indefinite sailings of
steamers and the consequent difficulty of obtaining berths and
notifying to the parties concerned in time. If this meets with
the approval of ~~the~~ Government, arrangements will be made with the
Collector of Kistna to pay the scholar the cost of a second class
passage to England.

2. The favour of early orders ~~xxx~~ requested.

The Accountant General, Bombay, has since stated in his telegram dated 4-10-18 that no second class berths are available in the steamer referred to in this Office letter of the 18th September 1918 and that arrangements would be made for a passage by the next steamer if possible.

I have the honour to be,

ENCLOSURES.

Copy of letter No. P-28-2199 dated 2nd October 1918 from the Accountant General, Bombay, to the Accountant General, Madras.

In continuation of this office letter No. P-28-1947 dated the 14-9-1918 regarding the passage of Mr. Dakshnamurti, I have the honour to state that the Japanese Steamer Co., have intimated to this office that they have not yet heard regarding the definite reservation of the berth, which can only be done when particulars of available berths are known to this Company's agents at Colombo, after the steamer's departure from Penang. It is learnt that Japanese steamer s.s. Inaba Maru is expected to arrive at Colombo on or before the 10th and due intimation by wire, if necessary, will be given to you as soon a definite reply is received from the steamer Co.

2. I would state for your information that Mr. Dogar-Sing a state scholar from the Punjab who is to go ^{to} England by the same steamer will of his own accord start from here for Colombo via Madras. He has been given by this Office a cheque for Rs. 660 (Six Hundred and Sixty only) being the cost of the passage on the Bank of Madras, Colombo, as the company ~~insists~~ insists that the money must be paid in cash to Messrs. Carson & Co. their agents at Colombo, before a passage ticket can be issued.

Letter dated the 11th November 1918 from ~~the~~ Messrs. Carson and Company, Limited, to the Accountant-General, Madras.

With reference to your letter dated the 6th instant, we shall be pleased to register Mr. S. Dakshinamoorthy for Second Saloon accommodation to England per either of the following steamers advising you in due course whether a berth is available :-

"Shidzuoka Maru" Liverpool Decr. 2nd

"Aki Maru" London " 7th.

Kindly let us have your further instructions.

Superintendent,

Correspondence Section.

The case of ~~this~~ S. Dakshinamoorthy is different from that of other State scholars. He has already completed a portion of his course and has been granted by the Government a scholarship tenable for ~~a~~ period of one year only. According to his own statement he should have rejoined the Glasgow University before the 20th of last month. No reply has been received to the telegram sent to the Registrar of the Glasgow University whether S. Dakshinamoorthy would be admitted if he ~~was~~ arrived late. The A.G. now proposes to pay the scholar the cost of ~~the~~ second class passage to England and to leave him to make his own arrangements for procuring a passage ticket. It is doubtful whether the scholar would be readmitted to his University after ~~such a~~ lapse of time. There may ~~be~~ difficulty in recovering from him the cost of the passage money if it is not utilized for the purpose for which it is granted.

2. If however it is decided to accept the A.G.'s proposal, the draft below is for approval.

Though the A.G.'s suggestion may be adopted eventually, we cannot well issue orders for the immediate payment of the passage money until

we get an assurance of ~~the~~ ^{the} ~~Dalsh~~ ^{Dalsh} ~~manuirt's~~ admission into the University this year, even should he start hereafter. There is no prospect of his securing a passage and the likelihood of the admission in the current year is getting more & more remote.

2. Refy to A.G. that it is not likely that Dalshmann can engage a berth now with profit to himself & till we know a berth is available it is not necessary to advance the money. The A.G. may perhaps arrange with the ship agents to obtain information of vacant berths

No berth is available for Dakshinamurti on Steamers sailing from Bombay during this month. The Shipping Agents at Colombo (Messrs Carson & Co) have been asked to furnish information as to whether and if so on which steamer a berth would be available for him.

The file may be over pending the receipt of a further communication from the A.G. as to the arrangements that have been made in regard to the sailing of the scholar.

2. No reply has yet been received from the Registrar of the Glasgow University. It is for consideration whether the India Office may be addressed by telegram for the necessary information.

We may remind. It is now nearly three months since we made the ref.

It is submitted that the Regr, Glasgow University to whom the previous telegram was addressed is not either in the list of telegraphic addresses registered in London or in that of holders of the Code. It is therefore doubtful whether the telegram has reached him at all. Perhaps the failure to get a reply till now is due to its non delivery.

2. Now that the Scholar's name has been registered for a second class passage to England it seems desirable to obtain some definite information as regards his chances of admission to the University without further delay. In this sense a draft ^{telegram} ~~letter~~ to the India Office is submitted for approval.

3. A letter from the A.G. Snice received reporting the arrangements that have been made for the passage of the scholar has been added ~~to~~ to the file.
