From (Name) The Hon'ble Mr. J.H. Stone, M.A., F.R.H.S.,

To The Secretary to the Government of Madras,

Home (Education) Department

Through the Accountant General, Madras.

Sir,

With reference to Government order No. 1047 Home (Education) dated 13-8-17, I have the honour to submit herewith for the sanction of Government a proposition statement embodying the proposals for the reorganisation of the Government Girls' schools, Berhampore (Hindu), Vizianagram, Suryaraopeta and Guntur.

2. The Inspectress of Girls' schools, Northern circle reports that partly owing to the paucity of qualified women teachers and partly owing to the low rates of salary offered most of the Government Girls' schools in the Northern circle are staffed with male teachers although

it

Deals with petition for opening 2 schools

it is desirable in the interests of the schools that they should be staffed with women teachers of good educational qualifications. She accordingly proposes to employ Anglo-Indian ladies as Headmistresses in the above mentioned four schools which are the largest in the circle on a salary of Rs.85 plus 25 personal allowance per mensem and also to raise the salaries of the assistants employed in them. The Inspectress's proposals commend themselves to me especially as Girls' schools in the Northern circle are at present staffed much less liberally than in the Central circle. I have, however, in submitting my recommendations which are embodied in the accompanying proposition statement, cut down the Inspectress's scale wherever it appeared to me to be extravagant. The ^{not} on Rs.30 will be filled by experienced higher elementary mistresses and those on higher rates of pay by secondary trained mistresses. It may be observed in this connection that these schools although classed as elementary are in process of development as they all have a few girls in the standards above the fifth and that in Girls' schools it has been ruled that no attempt need be made to draw a hard and fast line between elementary and secondary. I propose to restrict the grant of personal allowance to the Headmistresses to Anglo-Indian ladies.

3. The proposition is also for increasing the number of teachers in the Suryaraopeta school by one and the number in the Guntur school by two and it will be seen from the enclosed statement showing the strength of the schools that the additions proposed are necessary.

4. The reorganisation proposed may be sanctioned as an experimental measure for three years from 1-7-18 so as to allow the Department to see whether a more liberal treatment of the schools and a more competent staffing by women will increase the strength in the higher classes and materilly improve the tone and standard of the schools. correctly 639?

5. The extra cost involved by the proposal amounting to Rs.649 per mensem or Rs.5,192 for the remaining eight months of the current year can be met from the lump provision of Rs.53,200 in the current year's budget made for among other ~~the~~ objects the

2. The entries in the column of "Present scale" have been compared with the registers of this office and are found to be correct with reference to G.O. 170 Home (Education) dated the 12th February 1918.

3. The proposal to grant a personal allowance of Rs 25/- to the Headmistress of the four schools if they are Anglo-Indian ladies, does not seem to be in accordance with the principles laid down in the Government of India Resolution No. 358 E.A. dated the 31st August 1912, as these allowances, if sanctioned, would become more or less attached to the posts of headmistresses. There is however no audit objection to the pay of the posts being fixed at two different rates according as they are held by Anglo-Indian ladies or others.

4. There is also no audit objection to the other proposals in regard to the re-organisation of the schools being sanctioned by Government.

Sir,

With reference to Government Memorandum No. 1374 B-2, dated 7th August 1918, I have the honour to state that Mr. Stone has considered very carefully the question of revising the scale of staff of the Government Girls' Schools, Berhampur, Vizianagaram, Suryaraopeta and Guntur and I think it advisable to adhere to the rates of pay proposed by him especially in the light of his remarks at the end of paragraph 2 and in paragraph 4 of his letter R.C. No. 7642/1917, dated 21st June 1918. He evidently contemplated a more liberal scale if the suggested experiment resulted in increasing the strength and in improving

the tone and standard of the schools.

Reorganization of certain
Govt girls' schools in the Northern
Circle.

[No. 1374 B]. From the S.P.D., Re No. 7642/17 dt the 21-6-18.

The S.P.D. proposes to make the following proposals, as an experimental measure, for a period of three years with effect from the 1st July 1918:—

(i) to employ Anglo-Indian headmistresses in the four girls' schools mentioned by him,
(ii) to give them a salary of Rs 85 + a personal allowance of Rs 25 p.m.

(iii) to raise all round the salaries of the assistants employed in the schools under reference, and

(iv) to increase the number of teachers employed in the Sanyasopet school by one and that in the Guntur school by two.

2. Proposals (i) & (ii). The principle that in centres where it is desired to attract caste girls, European or Eurasian headmistresses should be employed until a sufficient number of caste mistresses is available has already been accepted - vide Govt.

(D) (E) No. 608 Sd dt 7. 10. 04, No. 479 Sd dt 31-5-12 and

(J) No. 334 Home (Govt) dt 12-3-17. As regards their pay however, it is observed that ordinarily only a pay of Rs 65 + a personal allowance of Rs 25 p.m. is given, except in the case of the headmistress of the Govt girls' school, Madura, who is given a pay of Rs 40 + a personal allowance of Rs 70 of which Rs 20 is in lieu of house-rent.

NOTES.

(K) vide Go. No. 1301 Home (98a) dt 5-12-16. To save pay of Rs 85 + Rs 25 in the cases now under reference will create an inconvenient precedent. It is for consideration whether the pay may therefore be limited to Rs 65 + Rs 25 p.m.

Cp. 4th Stat on pgs 5 & 6

3 Proposal (iii). The salaries of the assistants do not appear to have been fixed in accordance with the uniform. For instance, the Suryara and Guntur schools have ten teachers in each of them, but the scale of the one is not similar to that of the other. This is apparently because S.P.S. has ~~been~~ cut down the scale where it appeared to him to be extravagant. When the scales suggested by the S.P.S. are compared with those on page 5 of Go. No. 479 dt 31-5-17 former appear to admit of some alterations. The following statement compares the existing scale as well as the scale as suggested above:-

In a further communication submitted by the D.P.D. (R.C. Will have Dept. kindly consider whether the rates of pay cannot at least be made more uniform? The fact that the scheme is experimental will not commit us any the less if we approve it.

The rates of pay appear to have been fixed by the S.P.D. according to local conditions and they cannot be cut down arbitrarily. The S.P.D. may be consulted. A draft memo. is submitted for approval.

It seems hardly necessary to make a further reference to the S.P.D. on the point. He has recommended the scale suggested by

him only as an experiment, ~~and~~ has given special reasons for adopting the higher scale for the four schools in the Northern Circle and ^{has} definitely preferred his scale to the usual rates prevailing in the Southern & Central Circles suggested by Financial. It has ~~been~~ decided now which of the Scales should be adopted for the Assistant.

	File Scale	D.P.D. Scale
Berhampur -	30, 25, 20, 20, 14	30, 20, 14, 12, 12
Vijayanagar -	50, 30, 25, 15, 14, 12 + 12	30, 20, 14, 14, 12, 12 + 12
Singaraopet -	40, 30, 25, 25, 20, 20, 15, 14 + 12	30, 20, 15, 15, 14, 12, 12, 12
Junter -	60, 40, 30, 30, 25, 15, 14, 12 + 12

Ex. pay. 1 + 2 of 1/2.

With the difference that exists in the supply of qualified ^{women} teachers in the northern & southern circles, we may not succeed in securing uniformity of pay to be offered to them in the circles. The pay proposed is to be paid only to teachers with the qualifications as to the higher standard graduation ~~proposed~~.
