and also passed the Government Technical Examination in the following subjects:-

- Building drawing & Estimating.
- Building materials & construction.
- Bridge Work.
- Surveying & Levelling.
- Earthwork and Road making.
- Applied Mechanics.
- Mensuration.

and further completed the group certificate in Surveying and Levelling and Bridge construction of the Government Technical Examination.

I beg to state that I was employed as a Malaria Overseer in Madras Corporation and as a Sub Overseer in P.W.D. of Corporation and now the Overseer in charge of the Ripon Buildings. I beg to state that I have discharged my duties to the entire satisfaction of my superiors.

I humbly beg to request you to be so good as to obtain sanction of the Government from exempting me from the Lower Subordinate Test of the College of Engineering to better my further prospects.

I beg to add finally that similar exemptions have been granted in Government Order No.45 Ed. dated 11-1-16. and No.91 Ed dated 31-1-16.

For which act of kindness I shall ever feel thankful to you.

6.2023/B, Pat. from M. Natesan, d/18.9.18
Encl. of the P.C.M., G.O. No. 1622 Sub. d/20.9.18

Since the issue of

- (U) Govt No. 45 Edn, d/11th Jan. 1916 and
- (S) No. 91 Edn, d/31st Jan. 1916, the policy of Govt. in the matter of treating persons who have passed Govt. Technical Exams. on the same category as Lowest Subordinates has changed. P.W.D. may in the first instance be asked if they would recommend the grant of exemption in this case. The application

is not supported by any officer of Govt. willing to employ the applicant.

~~Subordinate test~~
Lowest Subordinate test. is present as a qualification for Road Overseers & Overseers of the Building Branch under the Corporation of Madras & also for d.7. Overseers. The applicant apparently refers to the former service. The Engineer of the Corporation strongly backs up the application. The applicant obviously does not look for service. The P.W.D may be consulted.

The applicant is an employee of the Madras Corporation and the Corporation Engineer recommends the application. The following statements shows the subjects prescribed for the R.S. test of the College of Engineering and the Govt. Technical examinations passed by the applicant.

Subjects for the R.S. class

Technical Exms passed by the applicant

| 1. (a) Freehand and model drawing | |
| (b) Geometrical drawing | |
| (c) machine drawing | |
| (d) Building drawing | 1. Building drawing and estimating. |
| (e) Drawing and estimating | |
| (f) Hydraulic Engineering | |
| 2. Applied mechanics | 2. Applied mechanics |
| 3. Construction | 3. { Building materials + Construction, Bridge work, earth work & Road making. |
| 4. Surveying | |
| (a) Chain, Compass & plane table levelling | 4. Surveying and levelling |
| (b) Theodolite Survey. | |
| 5. Workshop practice | |

5. mensuration

2. It will be seen from the above statement that the applicant has not passed many of the subjects prescribed

for the Lower Subdts ^{test} ~~also~~ of the College of Engineering.

3. Attention is also invited to the note ~~connected~~ with memo. No 1013C dy 8.2.17 in which it was decided that exemptions from the L.S. test should not be granted to those who pass technical examinations as the men are ~~not~~ as well qualified as passed lower Subdts. and as such a course affects prejudicially the chances of lower Subdts. securing appointments.

4. The applicant seeks exemption with a view ~~as~~ he say "to better (his) further prospects". Having regard to his qualifications, there does not seem to be case for granting him general exemption as prayed for. There appears, however, to be no objection to grant him exemption with a view to better his prospects under the Madras Corporation, as the Corporation Engineer is satisfied with his work.

5. The case may be returned to the Home (Edu.) Dept. with his recommendation.

I do not know what the man is aiming at, or what he means by bettering his prospects. He seems to be suitably placed where he is now, and where presumably he does not require exemption. Should his appointment. If he wants general exemption with a view to obtaining Govt. employ I am afraid I cannot recommend it.

The P.W. D. are averse to granting the exemption prayed for apparently because of exemption of the kind prejudicial to the character of passed and certified lower Subordinates obtaining better in Govt. service. If L & M will recommend it, the ^{contingency} ~~risk~~ at A above can be obviated by restricting the exemption to Corporation, Local Fund and Municipal Service.

Local and Municipal Dept

For orders whether as suggested at A on p. 4 supra this Dept. may recommend that the exemption sought for by the applicant may be restricted to Corporation Local Fund and Municipal services, or whether this Dept may advise that the exemption be refused.

If any local body wishes to employ him in any appointment for which the qualifications of a lower subordinate of the College of Engineering is prescribed, the question can then be considered. The P. W. D. do not consider that his qualifications are equal to those of a man who has passed the lower subordinate Test & there seems to be no case for granting exemption unless any local body is anxious to employ him. As regards the Madras Corps, the Standing Committee have power to grant the man exemption for ^{promotion} ~~employment~~ to posts under the Corps for which lower subordinate Test is prescribed.
