Report of the Syndicate upon the application from the Principal, P.R. College, Cocanada,
for the further affiliation of the college in Telugu and Sanskrit under Part II,
Group III, of the Intermediate courses

The Syndicate reports the following correspondence relative to this application:—

*Letter, No. D. Dis. 366 of 16, dated September 27, 1916, from the Principal,
P.R. College, Cocanada, to the Registrar, University of Madras.*

I have the honour to request that you will be so good as to do me the favour of submitting to the Syndicate, for their favourable consideration and for their kind recommendation to the Senate for approval, this application for further affiliation of this college in Telugu and in Sanskrit of Part III (now Part II) of the courses of studies for the Intermediate in Arts Examination.

By way of experiment to ascertain whether the staff provided by this college would answer the purpose, instruction in Telugu and in Sanskrit began to be imparted in 1913-14, with the following staff:—

Telugu.—Mr. A. Suryanarayana and Mr. M. Venkata Sastri. Mr. Suryanarayana has passed the F.A. and the Telugu Branch of the B.A. Examination; his being the only first class in Telugu of the year. He has been the Telugu Composition Lecturer since 1909. Mr. Venkata Sastri has been the Senior Telugu Pandit of the college for two decades, and he taught the Telugu of the F.A. classes for several years. Mr. Suryanarayana has been giving five periods, each of forty-five minutes, a week to this work, and Mr. Venkata Sastri has been devoting the same amount of time.

Sanskrit.—Mr. S. Sankara Aiyar, B.A., and Mr. K. Subbiah Sastri. Mr. Sankara Aiyar graduated with Sanskrit as his optional language and has been taking part in the instruction in Sanskrit of the F.A. and the Intermediate classes for over twenty years.

Mr. Subbiah Sastri has been the Sanskrit pandit of this college for the last eighteen years, and is on all hands acknowledged to be a sound Sanskrit scholar. Mr. Sankara Aiyar has been giving four periods a week, and Mr. Subbiah Sastri six periods a week, to this work.

Accordingly some students have been trained for the Intermediate Telugu and Sanskrit, Part III (now Part II), and 'exemption' from the production of the necessary certificates having been kindly granted by the Syndicate and the Senate, a certain number took the examination in 1915-16. The results have justified the experiment. In the last examination, of the eight that sat for the examination in Telugu seven passed it; and both the candidates in Sanskrit were successful. The results of 1915 were likewise satisfactory.

The teachers thus engaged in preparing the students are permanent members of the staff, and this application, if kindly granted, will entail no additional expenditure on staff. All the books recommended by the lecturers concerned from time to time have been supplied and necessary additions will annually be made.

These classes being very small—a dozen or a little over for Telugu and three or four for Sanskrit—they will not perceptibly tell upon the strength of any other college.

Hence I pray that this application may be granted favourable consideration by the Syndicate and the Senate.

Letter, No. 7939, dated October 9, 1916, from the Registrar, University of Madras, to the Principal, P.R. College, Cocanada.

With reference to your letter D. Dis. No. 366, dated September 27, 1916, applying for the further affiliation of your college in Telugu and Sanskrit of Part III (now Part II) of the courses of studies for the Intermediate Examination, I have the honour, by direction, to inform you that the Syndicate has resolved that consideration of the application be deferred pending the next inspection of the college and that, in the meantime, you may ask for exemptions, if necessary, as you have done hitherto.

Letter, No. 1878, dated March 18, 1918, from the Registrar, University of Madras, to the Chairman of the Commission appointed to inspect the colleges in the Northern Circars, Hyderabad and Madras.

I have the honour to remind you that on September 27, 1916, an application was received from the Principal, P.R. College, Cocanada, applying for further affiliation of the college in Telugu and Sanskrit under Part II, Group iii of the Intermediate courses and that the Syndicate resolved that consideration of the application be deferred pending the next inspection of the college and that the report on the college is still awaited.

Letter, dated March 19, 1918, from the Chairman of the Commission appointed to inspect the colleges in the Northern Circars, Hyderabad and Madras, to the Registrar, University of Madras.

With reference to your letter No. 1878, dated March 18, 1918, I have the honour to inform you that Mr. B. Seshagiri Rau, M.A., in the course of his report on the treatment of languages other than English in the P.R. College, Cocanada, says:

'The college has sought further affiliation in two languages in Group iii of the Intermediate course. The proposed staff is adequate; but special accommodation for language classes, the departmentalization of the language section of the group under a whole-time graduate, and the improvement of the Telugu and Sanskrit libraries in the critical and modern sides must be insisted upon.'

Letter No. 2646, dated April 9, 1918, from the Registrar, University of Madras, to the Principal, P.R. College, Cocanada.

With reference to this office letter No. 7939, dated October 9, 1916, stating that consideration of your application for the further affiliation of the college in Telugu and Sanskrit under Part II, Group iii of the Intermediate courses, would be deferred pending the next inspection of the college, I have the honour, by direction of the Syndicate, to refer to you the following report of the last Inspection Commission and to inquire whether effect will be given to the recommendations made therein:—

'The college has sought further affiliation in two languages in Group iii of the Intermediate course. The proposed staff is adequate; but special accommodation for language classes, the departmentalization of the language section of the group under a whole-time graduate, and the improvement of the Telugu and Sanskrit libraries in the critical and modern sides, must be insisted upon.'

Letter, No. D. Dis. 571 of 1917-18, dated April 15, 1918, from the Acting Principal, P.R. College, Cocanada, to the Registrar, University of Madras.

With reference to your letter No. 2646, dated April 9, 1918, regarding the affiliation of the college in Telugu and Sanskrit under Part II, Group iii, I have the honour to state as follows:—

- (1) Special accommodation adequate for such small classes will be provided.
- (2) The library will be improved, too, as desired.

(3) It will not be practically possible to have a whole-time graduate with the necessary knowledge of both the languages to control the studies in those languages as a separate department. It may be added that, so far as the management is aware, there does not seem to be any such provision in most of the colleges presenting candidates in Sanskrit and Telugu for the Intermediate Examination. So far as existing arrangements are concerned, the Telugu studies are supervised by the Vernacular Composition Lecturer, who has creditably passed the Telugu Branch of the B.A. under the Old By-laws, taking the top-most place therein in the whole Presidency; and the Sanskrit studies are regulated by the Head master of the Secondary Department, an M.A. in Sanskrit and an L.T. of long standing and experience. It may well be judged by the University results of the last 3 or 4 years how the departmentalization of the Language section, as aforesaid, has worked so far.

The Syndicate considered the above communication, together with the whole correspondence, at its meeting held on July 16, 1918, and resolved to recommend the Senate to record its opinion that the application for affiliation may be granted by the Government.

Letter, No. 4787, dated July 18, 1918, from the Registrar, University of Madras, to the principal, P.R. College, Cocanada.

With reference to correspondence ending with your letter No. 571, dated the 15th April last, replying to the remarks of the Inspection Commission in connection with your application for the further affiliation of the college in Telugu and Sanskrit under Part II, Group iii of the Intermediate courses, I have the honour, by direction, to inform you that the Syndicate has resolved to recommend that the Senate record its opinion that the affiliation applied for may be granted by the Government.
