Report of the Syndicate upon the application from the Secretary to the Trustees of the Pachaiyappa's Charities for the further affiliation of the Pachaiyappa's College, Madras, in Group (vi)—Tamil with Early South Indian History—of the B.A. Degree courses.

The Syndicate reports the following correspondence relative to this application:—

Letter, No. 3911/17-18, dated February 7, 1918, from the Secretary to the Trustees of Pachaiyappa's Charities, Madras, to the Registrar, University of Madras.

I am directed by the Trustees of Pachaiyappa's Charities to apply for the affiliation of Pachaiyappa's College in Branch vi (Tamil with Early South Indian History) of the B.A. Degree Pass course of the Madras University. The college is at present affiliated to the Madras University in Groups i and iii of the Intermediate course and in Branches i, ii-A, iv, and v of the B.A. Degree Pass course.

2. Mr. T. Chelvakesavaraya Mudaliar, M.A. (Tamil), who has taught Tamil under the old Regulations to the B.A. classes since October 1897, will be in charge of the teaching of Tamil for the B.A. classes, duly assisted by two graduates in Arts. He has been a member of the Board of Studies in Tamil, besides having been an Examiner. Early South Indian History will be taught by Mr. C. S. Srinivasachariar, M.A., Assistant Professor of History in this college.

3. One of the rooms in the western wing of the new extensions in the quadrangle of the college will be utilized for the Tamil classes in addition to the rooms now provided for them. The library is already well equipped and it is also proposed to supplement the present stock with any additions that may become necessary.

4. I have the honour to request you therefore that you will be good enough to obtain the affiliation of the Pachaiyappa's College in Branch vi of the B.A. Pass course, with effect from the academical year 1918-19, so as to enable the college authorities to form the classes in this branch in July 1918.

Letter, No. 1307, dated February 20, 1918, from the Registrar, University of Madras, to M.R.By. Rao Sahib S. Krishnaswami Aiyangar Ayl., M.A., M.R.A.S., F.R.H.S., University Professor of Indian History and Archaeology.

An application has been received from the Secretary to the Trustees of the Pachaiyappa's Charities for the further affiliation of the Pachaiyappa's College in Group (vi)—Tamil with Early South Indian History—of the B.A. Degree courses, and I am directed by the Syndicate to request you to conduct a local inquiry at the college under section 21 (2) (a) of the Indian Universities Act, 1904. As the college is already affiliated to the University the scope of your inquiry should be limited to the provision made by the college for the teaching of the subjects in which further affiliation is now sought and should have reference to the general requirements laid down by the Act and the regulations to be fulfilled by colleges applying for affiliation to the University only so far as the existing provision may be affected by the proposed further affiliation.

It is presumed that you will be willing to undertake the duty. I have to ask you to be so good as to take the necessary action, and to fix the date of your visit to the college in consultation with the Principal. I have further to request that your report should be submitted to the Syndicate without being disclosed to the authorities of the college.

I may add, for your information, that the authorities of the college are being informed that the Syndicate will be unable to place the affiliation before the ensuing March meeting of the Senate.

Letter No. 1308, dated February 20, 1918, from the Registrar, University of Madras to the Trustees of Pachaiyappa's to the Secretary Charities, Madras

With reference to your letter No. 3911, dated the 7th instant, applying for the further affiliation of the Pachaiyappa's College in Group (vi)—Tamil with Early South Indian History—of the B.A. Degree courses, I have the honour, by direction, to inform you that the Syndicate has appointed M.R.Ry. Rao Sahib S. Krishnaswami Aiyangar Ayl., M.A., M.R.A.S., F.R.H.S., University Professor of Indian History and Archaeology, to conduct a local inquiry at the college under section 21 (2) (a) of the Indian Universities Act, 1904. He has been requested to fix the date of his visit to the college in consultation with the Principal.

I am further directed to inform you that the Syndicate will be unable to place the application before the ensuing March meeting of the Senate.

Letter, dated February 22, 1918, from M.R.Ry. Rao Sahib S. Krishnaswami Aiyangar Ayl., M.A., M.R.A.S., F.R.H.S., Professor of Indian History and Archaeology, University of Madras, to the Registrar, University of Madras.

In reply to your letter No. 1307, dated 20th instant, asking me to conduct the local inquiry in the Pachaiyappa's College with reference to its affiliation in Group (vi)—Tamil with South Indian History, I have the honour to state that I shall conduct the inquiry and make the report called for in the course of the next week or early the week after. I am writing to the Principal in regard to the matter.

Letter, dated March 3, 1918, from M.R.Ry. Rao Sahib S. Krishnaswami Aiyangar Ayl., M.A., M.R.A.S., F.R.H.S., Professor of Indian History and Archaeology, University of Madras, to the Registrar, University of Madras.

I have the honour to inform that, in accordance with your letter, No. 1307, dated the 20th ultimo, I inspected the Pachaiyappa's College on the 1st instant for further affiliation of the college in Group (vi)—Tamil with Early South Indian History—of the B.A. Degree courses and submit the following report of my inspection of the college in this regard.

No remark is called for in regard to management. In respect of the character and qualifications of the staff, my inquiries confirm the statement contained in the letter of application, paragraph 2. The teaching of Tamil is to be under the Professor, Mr. T. Chelvake-avaraya Mudaliar, M.A., who is a gentleman of experience occupying positions in the University, both on the Board of Studies and Board of Examiners. He is to be given the assistance of a lecturer and there is provision made for a tutor for the second year. I understand they have in view for the lecturer's post another gentleman of known scholarship and experience.

In regard to the teaching of Early South Indian History, they propose detailing Mr. C. S. Srinivasachariar, M.A., Assistant Professor of History, in the college by relieving him of some part of the work under Group (v) without any addition to the staff. I am of opinion that this can be done without damage to the work of Group (v), the staff of which is composed of one professor, three assistant professors and one tutor. The additional teaching involved in Group vi can be done by this assistant professor, some of his work being taken over by the other two assistants as proposed. The tutor will be appointed for the second year. I believe the staff provided is adequate and the qualifications of the members composing it distinctly good. Mr. Srinivasachariar himself is a Tamil graduate and has General Indian History for his charge under Group (v). He should be able to do the work connected with Group (vi) very well.

In regard to accommodation, they propose building a new room on the top floor over the room occupied by the Principal. The dimensions of it would be 22' 10" by 12' 3" with the margin height of 12' with a verandah on one side 7' 2" deep. It would be of the same size as the present class room of the Tamil Professor. This, it seems to me, would be adequate for classes of twenty-five. The number expected to join this section to begin with would be about a dozen or so. The accommodation proposed seems to me adequate to the classes that will come into existence when the group begins work and for normal expansion for some years to come.

Regarding the library, the college already possesses a fairly well-furnished general library, which contains a good collection of Tamil books and books connected with Indian History. I have seen a new list that the professor has drawn up, which would cost about a hundred rupees and they are prepared, if necessary, to add to the provision. I think the provision made is adequate, provided they repeat a similar provision for the next two or three years.

The affiliation of this college in this Group will not affect injuriously the interests of education or discipline in the locality as no other men's college in Madras has this group. They are prepared to follow the existing practice in regard to reporting changes in the staff, etc., so far as they affect this particular branch.

Having regard to all the circumstances connected with this application, I am of opinion that the affiliation applied for may be granted. The management have taken necessary steps and are willing to put the building work on hand immediately, as the enclosed copy of the plan will show. And if I am permitted to express an opinion in regard to para. 4 of the letter of application from the trustees, the affiliation sought for may be granted if the trustees give an undertaking to get the room ready for use by the 1st July next.

Letter, dated March 9, 1918, from M.R.Ry. Rao Sahib S. Krishnaswami Aiyangar Ayl., M.A., M.R.A.S., F.R.H.S., University Professor of Indian History and Archaeology, to the Registrar, University of Madras

I am sending herein enclosed copy of a resolution of the Trustees of the Pachaiyappa's College communicated to me by them to be filed along with my report of the 3rd instant on the local inquiry conducted by me for affiliation of the college in Group VI—Tamil and Early South Indian History.

Extract from the Proceedings of the Trustees of Pachaiyappa's Charities at a meeting held on March 6, 1918, to the Registrar, University of Madras.

Read estimates for Rs. 1,350 for putting up a room with a verandah on the third floor of the Pachaiyappa's College building for accommodating the Tamil class of Group (vi) B.A. Pass course.

Resolution No. 122, dated March 16, 1918.

Resolved that the estimates for Rs. 1,350 for constructing a room on the third floor of the college building be sanctioned for immediate execution.

Letter, No. 5110, dated April 5, 1918, from the Secretary to the Trustees of Pachaiyappa's Charities, Madras, to the Registrar, University of Madras.

With reference to your letter No. 1308, dated February 20, 1918, I have the honour to state that M.R.Ry. Rao Sahib S. Krishnaswami Aiyangar Ayl. inspected the college in March last and that the Junior B.A. class in Branch VI (Tamil with Early South Indian History) will be formed on the reopening of Pachaiyappa's College on the 1st July next on the presumption that the affiliation of the college in this group will be sanctioned in the usual course.

Letter, No. 2766, dated April 11, 1918, from the Registrar, University of Madras, to the Secretary to the Trustees of Pachaiyappa's Charities, Madras.

With reference to your letter No. 3.11, dated February 7, 1918, applying for the affiliation of the Pachaiyappa's College in Group (vi)—Tamil and Early South Indian History of the B.A. Degree courses, and subsequent correspondence, I have the honour to forward herewith a copy of the report on the local inquiry at the college conducted by Rao Sahib S. Krishnaswami Aiyangar, and to state that the Syndicate has passed the following resolutions upon the application and correspondence:—

‘Resolved that the Secretary to the Trustees of Pachaiyappa's Charities be informed that, subject to the receipt of an assurance from the management of the Pachaiyappa's College that the affiliation applied for will not, if granted, lead to any increase in the present total strength of the B.A. classes in the college and subject to compliance with the conditions laid down in Professor S. Krishnaswami Aiyangar's report, the Syndicate will be prepared to recommend the Senate to record its opinion that the affiliation may be granted by the Government;

‘Also resolved that the Secretary to the Trustees be also informed that the Syndicate will approve the proposal to open a class in Group (vi) of the B.A. Degree courses in July next, provided the new rooms are ready and the other requirements met by that date, and that, subject to the above provisos, the Syndicate will be prepared to recommend to the Senate the grant of the necessary exemption in the case of students admitted to such class in anticipation of the affiliation of the college in that group.’

I have the honour to inquire whether the assurance from the management as to the total strength of the B.A. classes in the college can be given and to request that any action taken by the management with reference to the opening of the proposed new class in July will be reported to the Syndicate with a statement as to whether at the time the new rooms and additional staff have been completely provided.

Letter, No. 5680/17-18, dated May 8, 1918, from the Secretary to the Trustees of Pachaiyappa's Charities, Madras, to the Registrar, University of Madras.

With reference to your letter, No. 2766, dated April 11, 1918, I am directed to state that the Trustees agree not to exceed the present total strength of the B.A. classes by the affiliation of Pachaiyappa's College in Group (vi) of the B.A. Degree course and that the construction of an additional room, as per plan furnished, having already been begun, will be completed before the 1st July next, the date on which it is proposed to open the first year class in this group. The Trustees also agree to abide by the other conditions laid down with reference to the affiliation of the college by Professor S. Krishnaswami Aiyangar in his report, dated the 3rd March 1918.

The Syndicate considered the above communication, together with the whole correspondence, at its meeting held on July 16, 1918, and resolved to recommend the Senate to record its opinion that the application for affiliation may be granted by the Government.

Letter, No. 4788, dated July 18, 1918, from the Registrar, University of Madras, to the Secretary to the Trustees of Pachaiyappa's Charities.

With reference to correspondence ending with your letter, No. 5680, dated the 8th May last, on the subject of the application for the further affiliation of the Pachaiyappa's College in Group (vi)—Tamil and Early South Indian History of the B.A. Degree courses, I have the honour, by direction, to inform you that the Syndicate has resolved to recommend that the Senate record its opinion that the affiliation applied for may be granted by the Government.
