Re No. 8939/16

Station ..... , Dated the 18<sup>th</sup> NOVEMBER 1918.

From (Name) The Hon'ble Member, Madras Legislative Council.

(Designation) As Director of Public Instruction

To The Secretary to the Government of Madras,

Home (Education) Department.

Sir,

In G.O. No. 918, Home (Education) dated 11-7-1917, two-thirds grant of Rs.3266 was sanctioned towards the cost of construction of a store room, kitchen and laundry for St. Francis' (previously known as St. Joseph's) European Convent Girls' School, Coimbatore, on an approved estimate of Rs.4900. In the enclosed copy of her letter No. 293 dated 6-10-1916, the correspondent of the school states that owing to the rise in the prices of materials etc., the actual expenditure rose to Rs.6390, or an excess of Rs.1490 over the approved estimate, and that the construction of another room at a cost of Rs.850 in continuation of

the laundry room was absolutely necessary, and requests an additional grant on account of the above items. I have the honour to submit the approved plans and estimates, together with the revised estimates, comparative statement of differences etc., and the completion certificate granted by the Executive Engineer and to recommend that an additional grant of Rs.1540 which is two-thirds of the excess expenditure of (Rs.1490 + 620) Rs.2310 may be sanctioned.

I have the honour to be,

Sir,

Your most obedient servant,

*N. A. Arive*

for Director of Public Instruction.

Copy of letter No.493 dated 6-10-1918 from the Correspondent, St. Francis' Convent School, Coimbatore (late St. Joseph's European girls' school, Coimbatore).

With reference to your Proceedings on C.No.8939 of 1916 dated 6-8-1917, I regret to state that owing to the abnormal rise in the cost especially of imported materials as well as the rise of wages since the receipt of the sanctioned estimate and plans, I found it impossible to get any contractor to undertake the work at the sanctioned rates. I was therefore obliged to carry out the work myself with the help of an experienced European Builder who also supervised the construction of the new school building.

With the Engineer's completion certificate, I am herewith submitting a revised estimate at rates most economically worked out and beg that you will be pleased to obtain the sanction of Government to the extra cost incurred.

A comparative statement of differences accompanies the revised estimate which explains the cause of revision of each item of work.

The sanctioned estimate amounts to Rs.1490 and the revised estimate to Rs.6390 showing an excess cost of Rs.1490.

The construction of another room in continuation of the Laundry room was absolutely necessary, the details of its cost of Rs.620 are herewith sent, but the amount is not included in the revised estimate.

I should be most thankful if for this additional room I could also obtain a 2/3 grant.
