To The Secretary to the Government of Madras,

HOME (EDUCATION)
/Through the Accountant-General, Madras/.

Sir,

With reference to G. O. No. 508 Home (Education) dated
20th April 1918 I have the honour to request that in the
circumstances set forth in my letter R. C. No. 6847 dated
1st February 1918 Government will be pleased to sanction
the grant of a conveyance allowance of at least Rs. 5 per
mensem to the teacher of the Secondary Training Class
attached to the Government Training School, Nellore, from
the date of his taking charge of the Class. It is reported
that a bicycle will not be of much use and the nature of

2/

the conveyance may therefore be left to the teacher concerned.

2. The charge can be met from the savings in the provision for 'allowances' under 'Government Training Schools for masters' in the Budget Estimates of the current year.

3. As regards the Ceded Districts College, Anantapur, I consider that a bicycle will be of use and I am taking steps towards supplying one to it. When this is done, the cycle can be used by the teacher in charge of the Secondary Training Section attached to the College.

I have the honour to be,

Sir,

Your most obedient Servant,

S. K. Srinivasan
for Director of Public Instruction.

CNo. 2414 A from the D.P. I. no. 6847 of 14.9.18.

Subject. - Grant of conveyance allowance to the teacher in charge of the Secondary Training class attached to the Govt.

Training School, Nellore.

Please see the Chief Secretary's note of 1.3.18 on p. 6 of papers in file no. 508 of 20.4.18 in which he ~~stated~~ ^{observed} that the grant of a bicycle allowance would ~~not~~ be unobjectionable. The

Director was informed of the same in D.O. no. 1098A-1 of 20.4.18 on p. 12 of file no. 508 of 20.4.18.

The Director now proposes a conveyance allowance of at least Rs. 5 per month to the teacher of the Secondary Training class at Nellore with effect from the date of his taking charge of the class. The A.G. states that there is no objection to the proposal being sanctioned by the Govt. in the Financial Dept. The present proposal appears acceptable. Before, however, approving it, the remarks of Financial may be invited as

A cycle allowance is usually granted on the understanding that a cycle is actually kept in good order & used by the person to whom the allowance is paid. In the present case, the D.P.I. does not propose to insist on the maintenance of a cycle

of the teacher. The nature of the conveyance is to be left to the teacher. This ~~will~~ mean again "conveyance allowance," to which objection was raised in the notes to C.P. No. 508. Of 20-4-18. as being opposed to the provisions of art. 1074 of the C.P.R. It is doubtful whether a cycle allowance can, under these circumstances, be sanctioned.

The D.P. I again presses the request. Financial was willing to sanction a bicycle allowance. But the D.P. does not want to enforce the condition of keeping a bicycle. Can the amount be sanctioned as a special case? Mr 8/10/18

Please see Art.: 1074 C.C.K. Supplement-
 pages 742+743. In granting a conveyance,
 whenever the principle appears to be that a
 conveyance should be maintained. I think
 that in this case the large sanctions are
 allowance of 6%, that usually given for a
 bicycle, irrespective of the reason of conveyance
 used, but provided that a conveyance is
 maintained.

I find it difficult to reconcile paragraphs 4 and 7 of Section 11, Chapter III of the Madras Supplement to the C.S.R. The former contemplate grant of an allowance for occasional conveyance, presumably by a hired vehicle. The latter requires a certificate that a private conveyance is maintained. Will the Accountant General kindly explain?

Paras 1 to 5 under article 1074 in the Madras Supplement to Civil Service Regulations are an extract of an order from the Government of India, while paras 6 to 9 are supplementary orders issued by the Madras Government. Under the last sentence of para 5 a certificate that the necessary means of conveyance was maintained is only necessary when the maximum amount of allowance is drawn. Para 9, which requires such a certificate in all cases where conveyance allowance is drawn, is based on an order of the Local Government, which can be modified or abrogated by them in any individual case at their pleasure. In the case of one of my Assistant Accounts Officers, who has to do a lot of travelling within the limits of the Madras Municipality, the Government of India have required him to certify in each month's Pay Bill that "Hire

U. O.

"Hire charges have been incurred for not less than ten days in the month", and if the Madras Government desire to grant a conveyance allowance in this case, but do not require the officer to keep a conveyance of his own, they can prescribe a certificate in some similar form.

If it is decided to grant the conveyance allowance to modify the rule as suggested by the R.S. in this special case, we may lay down that a certificate to the following effect should be furnished every month

"The allowance has been completely spent on conveyance here."

C.S. 11/11

We may ask for a certificate that not less than the amount of the allowance was spent in the hiring of conveyances during the month.

The question whether the rules referred to in p. 11 do not need some modification may be separately examined
