Enclosure:--

Letter No.520-S., dated 13th. August, '18 from M.R.RV., V. Ayyadurai Aiyar Avl., B.A., B.E., Executive Engineer, Godavari Western Division to the Superintending Engineer, II Circle, Bezawada:-----

With reference to the Chief Engineer's remarks on page 3 of your Report of Inspection of this office in April last, I have the honour to inform you that D. Pattachiramayya, Record Clerk of this office has been rendering very efficient service and has brought the records into an efficient state. He was previously recommended in this office Nos.1196-S., dated 17-7-1917 and 418-S., dated 12-4-1915 for exemption up to Rs.30/- in consideration of his satisfactory work in such a heavy Division as this. I may here add that two other clerks senior to him were also tried in the records branch but both of them were found incapable of even maintaining the records in an efficient condition. I therefore strongly support the recommendation of my predecessors that the Clerk's case may be given special consideration and that he may be exempted up to Rs.30/- in consideration of his highly satisfactory work, as testified to by you at successive inspections of the Division Office.

Endorsement by the Executive Engineer, Godavari Western Division on the petition of D. Pattachiramayya, Store Clerk.--

No.418-S., dated 12-4-1915.

Forwarded to the Superintending Engineer, II Circle for favourable consideration. The transfer of the applicant to the Record Section for sorting records was necessary in the interests of Government as from his previous experience in that section, he is best fitted to do the work and his experience and knowledge while sorting records will be of great use thereafter in the Record Section where I intend keeping him as an Assistant Record-Keeper. I would therefore strongly recommend his being exempted from Educational qualifications for holding posts up to Rs.30/-. He will earn his promotions in the usual course.

page had put in about 10 years service
when the exemption was recommended
in this case. It is not clear from the
current file what the present man's
service is. The qualification reports
abstracted on page 4 C7 are from the
year 1914, but the testimonies on
pp 5-7 C7 show that the man has
been employed in the P.O.D. since
1909 with some break in the middle.
Probably he held temporary posts
prior to 1914. Following precedents the
all exemption may perhaps be recommended.
