The reasons for the proposed disaffiliation of the Theosophical College, madanapalle, the Central College, Bangalore, the Maharaja's College, Mysore and the Maharani's College, Mysore will be found in the Proceedings of the Syndicate relating thereto, copies of which have been furnished by the Registrar. In the case of the Theosophical College, ^{madanapalle} the little haikes proposed that the rights conferred on it by its affiliation to the University might be withdrawn on the ground that the University classes of the Madras University carried in that college ^{had} been permanently closed, which in the case of the other three colleges the additional reason was given that Mysore has been provided with a University of its own. The Principals of all the four colleges were given a fortnight's time within which they could submit any representation they chose. But no presentation was received within the time allowed and the Syndicate recommended

recommended to the Senate that the rights conferred on each of these colleges by its affiliation to the University might be withdrawn in whole. ~~and~~ The Senate has accepted the suggestion.

Submitted that the Govt may approve the recommendation of the Senate to dis-affiliate the colleges in question. The D.P.I. may see the case U.C.
