Attention is solicited to para 2 on pages 1 and 2 of notes to G.O. 265-201 of the 13-3-18 which gives a short history of the circumstances under which the affiliation of the Presidency College with the University of Madras in branch VI (Languages) of the B.A. Pass and Honours Courses came to be sanctioned. The omission of Persian, Arabic and Urdu from the list of languages was ^{at first} suggested ~~by the Government~~ but these were retained under instructions from H.E. the Govt. The ^{Adm.} Honble Member, though apparently referring to the creation of the post of Assistant Professor, mentions the appointment of Mr. Hariner Rahman. This appointment being outside the regular cadre of the P.E.S. ~~suggested subject~~ was filled up by the D.P. without reference to Govt. We may be technically correct if we take the Adm. member's wording of the question & say that the answer is in the negative, for it cannot obviously be that the appoint. of this particular individual was made as the result of the representations.

As regards the creation of the post we have no information ~~that~~ to show that it is directly due to the representations. The file may be sent to the D.P. no. for remarks & for suggesting an answer.

It can hardly be stated that the appointment was entirely due to the demand. I should say that it was, more over, to an anticipation that the appointment would stimulate the number of posts. Should draft the answer thus.

"The appointments made on repeated requests in expectation of an adequate number of pupils wishing to undergo the B.A. degree course in Arabic & Persian."

The annexure is attached for the negative, for it cannot obviously be that the appointment of this particular person may be submitted to H.E. for approval of draft answers.
