From

The Hon'ble Mr. C. M. Webb, I.C.S.,

Secretary to the Government of Burma,

To

The Secretary to the

Government of

Dated Mysore the 23rd November 1918.

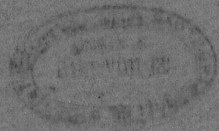

Sir,

I am directed by His Honour the Lieutenant-Governor of Burma to approach the Government of Madras, with a request that the services of Mr. J. P. Henderson, M.A., M.P., C.I.B., Curator of the Government Museum, Madras, may be lent for a short period to assist with his advice and experience the Burma University Committee which is at present occupied in framing a scheme of courses of study for the proposed University of Burma. If the request can be granted the services of Mr. Henderson-----would be required with reference to the determination of the general position of the study of Biological Science in the scheme of studies for the University, and the special course of study for Biological Science. The Committee has already drawn up a general scheme which awaits completion as regards details. In the absence of any existing University in Burma, it is felt that a work which will have so great an influence on the future of the University life of the province should not be completed without the assistance and advice of experts actively engaged in University teaching. Sir Reginald Craddock trusts that it will not be difficult for the Government of Madras to spare the services of Mr. Henderson, and feels that, if feasible, the assistance will be readily given when, the vital influence it will have on the future of the University of Burma is appreciated.

2.

The Government of India are being addressed with a view to obtaining sanction to the payment by the Local

Government

Government of an honorarium of Rs. 750/- in addition to Travelling and Halting Allowances to Mr. Henderson for his services. It is expected that he would be required to stay in Rangoon for about a fortnight to give the Committee the necessary assistance and information. As the Committee is actually engaged on their duties, if it is feasible to spare the services of Mr. Henderson ----- Sir Reginald Craddock would be pleased if he could come at the earliest convenient date and if he could be instructed to telegraph to Mr. Matthew Hunter, Principal, Rangoon College, the approximate date of his arrival in Rangoon.

I have the honour to be,

Sir,

Your most obedient servant,
