The question and answer as finally approved were as follows:

129 Q.—Will the Government be pleased to state

(a) whether the committee appointed by the Government to consider the proposed Elementary Education Bill have made any report, and, if so, what action has been taken in the matter; and

(b) what were the recommendations of the conference on the subject assembled by the Government in May last and what action has been taken in the matter?

129 A.—There have been two conferences of officials and non-officials on the subject of the proposed Elementary Education Bill, the first was held at Madras in November 1917, and the second in May 1918 at Ootacamund; these conferences were informal, and they did not draw up any reports. It is not intended to publish their proceedings which will be treated as confidential; but they have been fully and carefully considered in the drafting of the Bill.

No further action seems called for.
