Home (Eda) Dept

There is no special provision in ^{the budget} the budget for 1919-20 for the opening of any new training schools for Masters or Mistresses. The Govt of India have recently sanctioned a recurring grant of 5.5 lakhs for the development of Primary education. Proposals for the utilization of this amount have been called for from the D.P.I but have not yet been received. It is not known whether he would propose to utilize any portion of this grant for the provision of addl training institutions. The file may be sent up to the D.P.I for remarks and for suggesting a draft answer to the question.

No. 303 of 9. 11. 18

As to the opening of training schools attention is invited to my reply No. 292 dated 7 November 1918 to No. 2692A-1. I had before (Eda) dated 5 November 1918 on the resolution No. XLIX by the Honble M. A. S. Krishna Rao. Some of the recommendations referred to therein

will be met from the 5.5 lakhs. As mentioned by the Government then an no specific proposal in next year's budget.

I would suggest the following answer:-
"Then an no specific proposal in next year's budget, but the Government require the security of opening additional training schools as far as funds admit."

It is respectfully submitted that

the draft up above may leave

the impression that nothing is proposed to be done next year.

The budget for the year is being scrutinized in the office. Though

no specific proposals have been included therein by the D.P.D., it

cannot be said now whether

any provision will not go into

the budget for the purpose ultimately

As a matter of fact, the D.P.D. con-

templates opening some out of

the 5.5 lakhs grant & this fact will

obviously be mentioned in Council

in connection with Mr. Krishna Rao

resolution. It may perhaps be

better to say (chiefly with reference to the D.P.2. no. note of 6.11.18) that "Proposals are under formulation."
