Copy of letter No. 11/8 dated 19th September 1918 from the Superintendent, Government Training class, Sanawar to the Director of Public Instruction.

I have the honour to request that the stipends awarded to students at Sanawar be raised from Rs.40 to Rs.50 per mensem. Even in pre-war days Rs.40 was inadequate, as this sum is intended to cover not only boarding expenses but books and clothes. Practically no students ever come to Sanawar with private means. In these days of enhanced prices it is found increasingly difficult to make both ends meet. I have the honour therefore to ask that this small addition may be made and that the matter may be considered an urgent one.

[No. 2131 B]. From the D.P.O. Re No. 8166/18 of the 12-10-18.

Please see the papers printed in Go. No. 1988 of the 5th April 1907. The stipend of Rs 40 p.m. for a student undergoing training in the training class at Sanawar was sanctioned by the Secretary of State on the advice of the Govt. of the ^{Provinces} ~~Provinces~~ and on the recommendation of the Govt. of India. The scheme is an all-India scheme and any modification of it with reference to this Presidency will lead to modification elsewhere. On this ground and on the ground that it has originally been sanctioned by the Sec. of State the increase in the rate of stipend from Rs 40 to Rs 50 p.m. as suggested by the D.P.O. appears to require the sanction of the Govt. of India. ~~and the Govt. of India~~ The payment of travelling allowance to the students was also sanctioned by the Govt. of India - vide Go. No. 603 of the 1-10-08.

2. It is therefore submitted that the suggestion of the D.P.O. may be supported by the Govt. and an application made to the Govt. of India for sanction. Subject to orders a draft letter is submitted for approval. If approved, it may be sent to Financial for acceptance.

The proposal to raise from Rs 40 to Rs 50 the stipends of students under training in the Govt. training class, Sanawar, may, if it is submitted, be agreed to.

2 As regards the authority competent to sanction the increase, it is submitted that it does not seem necessary to consider the proposal as an 'all-India scheme', since the increase of the stipends of a few Madras students need not necessarily affect the students of other Provinces.

~~It is proposed to grant a second class fare to these servants for their journeys to Sanawar and back.~~

No doubt the sanction of the Secy. of State was obtained in 1907 for the Establishment of a training class at Sanawar; but it does not follow from ^{this} that petty variations in details cannot afterwards be sanctioned by subordinate authorities if such variations are in themselves within the ordinary sanctioning powers of those authorities. The proposal to grant a second class fare to these servants for their journeys to Sanawar and back was submitted to the Govt. of India in 1907 mainly in view of the fact that the students could under the C.S.R. be granted only third class fares. The Govt. of India sanctioned the travelling allowance without reference to the Secy. of State.

3 It is not quite clear why the local Govt. cannot sanction the present proposal, the extra cost of which is inconsiderable. Home Dept. may, it is submitted, be requested to consult the Acct. Genl. on the point before the draft issues. At any rate, if the Govt. of India are to be addressed, a copy report from the A. S. as to the authority competent to sanction the proposal has to be obtained and a copy thereof sent to the Govt. of India - Vide Rule 31 on page 312 of the Madras Supplement to the C.S.R.

As the stipends are debitable to Provincial Revenues, there is no audit objection to the Madras Government sanctioning the increase in question under Rule 7 in Part II of the rules defining the financial powers of Provincial Governments embodied in G. O. No. 464 Financial, dated 17th August 1916.
