Q. 112. Is it a fact that the Presidency College was ~~un~~ affiliated in March 1917 in Persian and Arabic ~~in~~ under group (VI) of the B.A. Degree course? The Director of Public Instruction giving assurance "that the present staff would be strengthened next year by the appointment of an additional Lecturer who will be a native of Persia".

Home (Edg.)

The papers commented with the affiliation in question are in Q's. No. 402 Edg. 4/26 Nov. 1917. The assurance quoted in the question has apparently refers to the D.P.D's letter to the Ministry at p. 8 of the Q's. at (K). This ~~was~~ undertaking to provide an additional ^{Lecturer} ~~professor~~ in 1918 was subject to the important reservation that the strength of the Persian's 'Arabic' sections warranted such addition. But subsequent experience has proved that students are not availing themselves of the provision for Arabic and Persian study - vide

portion indicated at p. 11 of the latest annual report of the Presidency College - p. 11 of Geo. No. 818 Eds., d/ 24th June 1918. In view of this, the Director recently proposed, reported that even the ^{then} existing professor of Arabic had practically no work in the College and was accordingly recommended his transfer to the newly opened College Dept. in connection with the Madras - v. - - - - - This was app. in Geo. No.

p. 1 of Geo. d (M).

para 2 of Geo. d (M) 820 Eds., d/ 24th June 1918.

So far as the present question is concerned, the answer may be as follows: -

Draft answer:

"yes; but such undertaking was subject to the condition that the strength of the Persian and Arabic classes warranted the app. of an additional lecturer" and the services of a native scholar were available.
