Subsidy

Sanctioning the further distribution of subsidies amounting to Rs. 708 among certain municipal councils for opening night schools.

READ—the following paper :—

Letter—from the Hon'ble Mr. H. S. DUNCAN, M.A., Acting Director of Public Instruction.

To—the Secretary to Government, Home (Education) Department.

Dated—Madras, the 9th November 1918.

No.—Ref. on Cur. 1110.

In continuation of my letter R.O. No. 1110, dated 19th August 1918, and with reference to paragraph 4 of G.O. No. 1254, Home (Education), dated 20th September 1918, I have the honour to submit my proposals for the utilization of the balance of the provision made in the current year's budget under '22. Education' for opening night schools.

2. It is now proposed to open eighteen night schools in sixteen municipalities spread over thirteen districts. The Municipal Councils of Adōni and Berhampur ask for two night schools each. I am satisfied of the need for these and have accordingly included them in the statement annexed to this letter. The Chairman, Municipal Council, Chittoor, proposes a teacher on Rs. 12 and a provision of Rs. 72 under contingencies. But as there appears no reason why Chittoor should be treated exceptionally I have cut down the expenditure to the same rates as in other cases, i.e., Rs. 11 per mensem for a teacher and Rs. 50 per annum for contingencies. The cost of the night school proposed by the Srirangam Municipal Council is estimated at Rs. 450 inclusive of an initial expenditure of Rs. 150 on books and slates required for the pupils, but they are prepared to bear a portion of the recurring expenditure themselves. The annual subsidy may therefore be limited to Rs. 207, the non-recurring expenditure of Rs. 150 for this year being met from Provincial funds. A fourth night school is proposed for Conjeeveram, three having been already sanctioned in G.O. No. 1254, Home (Education), dated 20th September 1918. In justice to the claims of other municipalities and in view of the limited budget provision available I have excluded this from my consolidated proposals. Should, however, Government be disposed to allow a fourth school for the place, the additional cost may, as in the case of similar night schools, be taken as Rs. 207 per annum and Rs. 31 for the current year. In connexion with the proposals called for with regard to the utilization of the Imperial recurring allotment of Rs. 5.5 lakhs, the Chairman, Municipal Council, Coimbatore, has inter alia suggested the opening of a night school. As specific provision has been made in the current year's budget for opening night schools, I consider that this expenditure should properly be met therefrom and have therefore incorporated it in the annexure to this letter. Coimbatore, however, it may be observed, has had a night school sanctioned for it in the Government Order quoted above.

3. The annual cost of each of the eighteen night schools now proposed comes to Rs. 207, the total cost amounting to Rs. 3,726. G.O. No. 1254, Home (Education), dated 20th September 1918, sanctioned the opening of thirty-three night schools at an annual cost of Rs. 7,311. Should my present proposals commend themselves to Government there will be fifty-one night schools on the whole, the annual cost aggregating Rs. 11,037 as against the budget allotment of Rs. 11,000. The small extra expenditure of Rs. 37 from 1919-20 onward may be met from the provision for subsidies to local bodies.

In respect of the eighteen night schools specified in the accompanying statement I have made provision only for two months for the current year, the total subsidy so required being Rs. 708. In the Government Order quoted above a subsidy of Rs. 2,906 has already been distributed among twenty-five municipal councils. Out of the budget provision of Rs. 11,000 therefore only Rs. 3,614 will have been spent before the close of the current financial year and recommendations for the utilization of the balance on non-recurring items will be made in due course. If Government approve my proposals, I beg to request that the Accountant-General may be authorized to place the amounts specified in column (10) of the annexure at the disposal of the municipal councils concerned.

Order—No. 1570, Home (Education), dated 9th December 1918.

The Government sanction the further distribution of subsidies amounting to Rs. 708 among the municipal councils detailed in the annexure to these proceedings so as to enable them to open the eighteen night schools specified therein.

2. The Accountant-General is requested to place the amounts mentioned in column (10) of the annexure at the disposal of the municipal councils concerned at an early date.

3. The expenditure will be met from the provision of Rs. 11,000 made for the opening of night schools under '22. Education' in the Civil Budget Estimate for 1918-19.

To—the Secretary to Government, Home (Education) Department.

Dated—Madras, the 9th November 1918.

No.—Ref. on Cur. 1110.

In continuation of my letter R.C. No. 1110, dated 19th August 1918, and with reference to paragraph 4 of G.O.
