2. In Mr. Davidson's letter No 21881 (not readily available) dated 8th September 1911 it was stated that Government deemed it of much importance that the Theatre should be strictly confined to the purpose mentioned in para. 14 of the Committee's report read in G.O. No 597 Public dated 16th August 1894. (p. 4 of the G.O. at Y) The Patasala in question appears to be a Primary School. While the Theatre had been used in the past for the prize distribution of certain selected institutions as the Docton Girls' School, the Madras Collegiate School and the Presidency Training School for Mistresses, it has not so far been given for the use of elementary schools. Dr. Henderson before he left for Burma expressed his opinion that the use of the Theatre should as far as possible be restricted to those institutions which have hitherto been using it, and he deprecates the grant of the use of the Theatre to any other institutions except for specially important reasons. The Ninth Annual Report

OF

The Egmore Balika Patasala, EGMORE

The Executive Committee has much pleasure in submitting the Ninth Annual Report on the work and progress of the Patasala for the year 1916-17 under report.

The 8th Anniversary was held on Sunday the 11th February 1917 at the bungalow of Mr. P. Bashyacarlu Naidu, Egmore with the Hon'ble Mr. S. Srinivasa Iyengar B. A., B. L., Advocate-General of Madras in the chair, when the following lectures were deliveral :—

(i) on " why we should educate our girls" by Dr. S. Muthulakshmi Ammal, M. B., C. M.,

(ii) on " The duties of the girls" by Sri Nagaratna Ammal.

The Chairman in winding up the proceedings congratulated the managing committee upon the good work of the Patasala and the able and economical way in which it was being managed. He promised to contribute his mite to the building fund of the school and appealed to the audience especially those who were in the neighbourhood of the school to see that the school was well equipped.

He was of opinion that the female education could not make considerable progress unless it was controlled entirely by ladies. To achieve this object a large number of lady teachers must be employed and the parents also must be liberal in giving education not only to their young girls but also to their grown up girls. He therefore exhorted the womanhood of the country to direct their attention to their educational needs.

Origin and Object

The Patasala originally known as Swadesi Balika Patasala which has entered upon the 10th year of its existance, was started in year 1908 with the sole object of extending free primary education as far as possible to the destitute children of the locality and it is achieving its object gradually. Subsequently in November 1908 the name of the Patasala was changed into the " Egmore Balika Patasala" under the presidentship of Rao Sahib M. C. T. Muthiah Chettiar Avergal. Under the liberal and kind patronage of various ladies and gentlemen both in and out of Madras, religious education is also imparted to the girls of the Patasala on a non-sectarian basis of the fundamental principles of Sanathana Dharma.

Management

The school is under the sole control of the Executive Committee. During the year under review three meetings were held. The attendance at the meetings was fair during the year 1916-17.

Staff.

The staff consists of one trained mistress, one untrained mistress and one conductress.

Strength

The year under report began with 33 pupils on the roll and at the end of the year (i. e.,) on 30-6-1917 there were 55 girls. The gradual increase of pupils on the roll of the Patasala is a clear proof of the public confidence in the efficient management of the school.

Finance

A statement showing the receipts and disbursements for 1916-17 is printed as Appendix C together with the auditor's certificate for the same period as Appendix A.

Patasala Buildings

This institution has been located free of rent since its existence in a portion of premises No. 66 High Road, Egmore, which has been very kindly placed at the disposal of the committee by Mr. P. Bashyacarl Naidu, son of the late Hon'ble Mr. P. Rungiah Naidu, who is one of the philanthropic gentlemen of this city. *Want of good accommodation really hinders the progress of the school.* Though the committee have been trying their level best to secure a suitable building for the Patasala yet their labours have not yet met with success. A statement of the Building fund account is printed as appendix B. We are confident of securing a suitable building for the school at an early date.

Obligation.

Our sincere thanks are due to :—

1. Mr. P. Bashyacarl Naidu (one of the Vice-Presidents).—For allowing the location of the school in a portion of his premises No. 66, High Road, Egmore, free of rent since its establishment.

2. Mr. A. Babu Nayadu.—For auditing the Patasala accounts 1916-17.

3. Messrs. C. Coomarasami Naidu and sons.—For Free printing for works.

4. Mr. M. Narayanasami Naicker.—For Free carpentry works.

5. Mr. V. K. Muthumanika Mudaliar.—For honorary instructor in music &c to the girls of the Patasala since its establishment.

6. The Editors of :—the Hindu, New India, Madras Mail, Justice, Indian Patriot, Swadasmiran, Andra Patrika, Hindu-Nasan, Madras Times and Dravidan.—For publishing lists of subscriptions, donations and appeals in their valuable papers.

Public Celebrations.

Sir M. Visvesvaraya's Birthday in 1916

(1). With great enthusiasm the above birthday was celebrated by the girls of the school on 15th September 1916 at the bungalow of Mr. P. Bashyacarl Naidu with Mr. R. N. Iyengar, Bar-at-law, in the chair. After music and Kolattam were over, a short sketch of the life of Sir M. Visvesvaraya was read by Miss Venkataratnam in English. Our thanks are chiefly due to Messrs D. Ramanujiah and C. T. Naidu for the success of its celebrations.

Entertainment to Rao Sahib C. Ramanujam Chetty Garu in April 1917.

(2) The members of the Patasala gave an entertainment to their President Rao Sahib C. Ramanujam Chetty on his appointment as the Sheriff of Madras for the year 1917. The Hon'ble Dewan Bahadur P. Rajagopalachariar M. A., B. L., C. I. E., presided on the occasion. A group photo with the guest and the Hon'ble Dewan Bahadur P. Rajagopalachariar in the centre was taken. Then light refreshments were served in the garden of Mr. P. Bashyacarl Naidu, Egmore. The children went through a short programme of action songs, music, Kollatam etc., A dialogue between two girls of the school was much appreciated.

Rao Sahib C. Ramanujam Chetty Garu in his short reply expressed his thanks for entertaining him and expressed a hope that before long the Patasala might have a building of its own.

The Hon'ble Dewan Bahadur P. Rajagopalachariar in the course of a Felicitous speech eulogised Mr. Ramanujam Chetty on his numerous benefactions to the city of Madras. Already he had done much for the cause of female education and doubtless he would do all in his power to help the Patasala which stood now in need of a permanent habitation.

Conclusion

The progress thus far achieved by the Patasala is very encouraging and with more funds it will produce better results. The committee would take this opportunity of thanking the several donors, subscribers, and sympathisers for encouraging the Patasala work by offering books, toys, &c., for the prize distributions during the past years and they wish to repeat their appeal to the public for their co-operation and help.

AUDITOR'S REPORT:

To

THE JOINT SECRETARIES,
THE EGMORE BALIKA PATASALA,
Egmore, Madras.

Dear Sirs,

In compliance with the proceedings of the meeting of the General body of the Egmore Balika Patasala held on the 4th March 1917 I audited the accounts of the Patasala for the year ending 30th June 1917 and verified the vouchers relating thereto and found them to be systematic and correct.

I have to inform you that the school shows a healthy sign and it requires an earnest support of sympathisers as I see a few of them are in arrears.

I shall be glad to see that the members support the school with their mite without leaving in arrears or in suspense.

I shall be glad to point out that Mr. A. Krishnasawmy Mudaliar, Assistant Secretary, works heart and soul for the furtherance of this cause and much credit is due to him.

Yours faithfully,

[Application of Egnor Balika Patasala for permission to use the Museum Theatre for prize giving ceremony.]

[C No 2587] From the Personal Ass to the S. G. M. No 737
8/7. XII. 18.

The purposes for which the use of the Museum Theatre may generally be allowed are stated in para 14 on p. 4 of G.O. No 597 Public S/ 16.8.1894. It ^{maybe noted} ~~was noted~~ that the Museum Theatre has, on previous occasions, been placed at the disposal of certain schools for prize giving ceremonies: - viz for an instance S.O. No 99 S/20.2.97 at flag P.

The object of the Egnor Balika Patasala as given on p. 7 of appears to be the extension of free primary education as far as possible to the ^{little girls} ~~destitute children~~ of the locality and the institution is patronized by ^{respectable gentlemen} ~~respectable gentlemen~~. The Patasala requires the Museum Theatre ^{it} for holding ~~the~~ annual prize distribution and the present case seems to be an occasion on which it can properly be lent. Dr Henderson is, however, of opinion that the use of the Theatre should as far as possible be restricted to those

institutions which have hitherto been using it, and he deprecates the grant of the use of the Theatre to any other institutions except for specially important reasons. He is not therefore inclined to extend the concession to the Egnore Babte Patasala which is but a primary school. The class or grade of the institution which requires the use of the Theatre does not, ^{it is submitted,} seem to be of much moment. It is not, in the present case, required for any purpose from which the authorities of the institution concerned derive any pecuniary benefit. As the Theatre has been lent for purposes of prize distribution on previous occasions there appears to be ~~strong~~ no strong ground for rejecting the present application. Orders are solicited.

I see no reason to set aside the ~~opinion~~ opinion of the Superintendent of the Museum. A line has to be drawn somewhere - an elementary school is distinctly below the line. Of course if a distinguished personage like H.C. or the Chief Justice or a Member of Council wished to preside & there was ~~no~~ difficulty in securing a suitable place, the theatre could be lent to an instn. that had not hitherto had the use of it. The present is not a case of mere kind
