213 has of late shown a tendency to fall (188 in 1916 and 145 in 1918).

Despite this, the existing strength of 145 distributed over six standards demands a staff of six teachers according to rule 81 of the Educational Rules. The permanent staff of the school is only four and with the temporary teacher in question will be only five. The retention of the school teachers may therefore be affected. Draft need not go to Financial.
