From (Name) the Hon'ble Mr. H.S. Duncan, M.A.
(Designation) Ag. Director of Public Instruction,
MADRAS.

To The Secretary to the Government of Madras,

HOME (EDUCATION) Department.

Sir,

I have the honour to state that I have received a letter from the Inspectress of Girls' Schools, Central Circle, recommending the award of special scholarships to pupils studying in Forms IV to VI of the Hobart Secondary and Training School, Madras.

2. The proposal seems to me to be justified not only because the School has been raised in grade but also because it is extremely desirable, in view of the paucity

of Muhammadan female teachers of the Secondary Grade, to encourage pupils to complete their Secondary course. Moreover, the majority of the pupils are poor and are likely to discontinue their studies unless they receive pecuniary aid. I have the honour therefore to recommend

that special scholarships of the monthly value of Rs. 6/- each subject to there being a maximum of six in all in any one year may be sanctioned to be awarded by the Inspectress and tenable in the Hobart Secondary and Training School.

The ultimate annual cost of these proposals will be Rs. 432. If they meet with the approval of Government the amount required for the current year will be met from savings and a reappropriation statement submitted if necessary. I further request that the necessary provision may be made in the next year's budget.

I have the honour to be,
Sir,
Your most obedient Servant,

R. A. Ariene.

for Director of Public Instruction.

Please see Go. No. 1530 D of the 3. 12. 17 in which the Govt. have already sanctioned the award annually of four scholarships to the Muhammadan girls reading in form I of the Hobart Secondary School and their continuance ~~in~~ in the higher forms each year on the pupils' promotion. The present proposal to create special scholarships of the monthly value of Rs. 6 each subject to a maximum of six in all in any one year ^(for award in form I only) is apparently over and above the four scholarships referred to above. This is not clear. The D.P.O. may be requested to. in the first instance to state whether the maximum fixed by him does or does not take the four scholarships already sanctioned into account.

The four scholarships sanctioned in G.O. No. 1530

poor pupils were readjusted from IV to be promoted
to Form V & VI. If it is found that the additional
scholarships were unnecessary when
the pupils to whom scholarships have been awarded
under the (p. justified) rule Form IV, their
discontinuance will be suggested.

is for consideration whether it will not
suffice if the new arrangement is for the

the proposal then comes to this that all the pupils ^{at present} in Farm IV will be subsidised, with a scholarship to spare, to attend school. It is very doubtful if under these conditions the numbers of pupils will increase unless the number of scholarships ~~is~~ increased also.

Since the Adm. Dept. supports the proposal we may perhaps agree.

C.S. H.K. Wilson

The proposal is tentative. It cannot be worked up to now and is wholly to be added to the report. I hope Home Dept. will agree that it is desirable to sanction it as a temporary measure in the past and for the present.
