Copy of letter No. 4356 dated the 21st October 1918,
from the District Judge, North Arcot, to the Registrar, High Court.

I have the honour to forward herewith a memorial addressed to His Excellency the Governor in Council submitted by C. Varadaraju Mudaliar, 1st examiner of copies of my Court in receipt of a salary of Rs. 20 per mensem, praying to be exempted from examination rules to enable him to hold posts carrying a salary of Rs. 50 and to strongly recommend the applicant for such an exemption. He is the only son of M.R. Ty. C. Balasundaram Mudaliar Avargal, retired Sheristadar of this court who served in this court for 40 years and who is now drawing a pension of Rs. 75 per mensem. His grandfather was the Head clerk of this Court and the memorialist's great grandfather and his brother were District Munsifs and hence the case of this applicant deserves special consideration.

2 Apart from this the applicant has put in a service of nearly 8 years and has been in the Rs. 20 grade all the period and during all this period he did duties as bench clerk in Sessions cases, - civil appeal clerk, and as 2nd assistant record keeper and now he is doing the duties of an examiner of copies and I am glad to say that in all these capacities he has been acquitting himself creditably and to add that the applicant is thoroughly well-behaved and reliable. He also appeared for the Matriculation examination held in December 1909 but did not get through it. He possesses the - average knowledge of a matriculate or a School Final Candidate who is declared eligible for admission to a college.

3 I have the honour, therefore, to request that the Government will be pleased to exempt him permanently from examination rules to enable him to hold posts carrying a salary of Rs. 50 per mensem.

His Excellency the Governor-in-Council,
Fort St. George,

Through

The Hon'ble the Chief Justice
and the other Hon'ble Judges of the
High Court of Judicature at Madras.

Through

The District Judge, North Arcot, Chittoor.

*The humble petition of C. VARADARAJA
MUDALIAR respectfully sheweth as
follows :—*

That the memorialist respectfully begs to approach Your Excellency with the following petition in the full hope that his case will receive such sympathetic consideration at Your Excellency's hands as is now shown to many a poor employee of the memorialist's position :—

That the memorialist studied up to the Matriculation standard. He appeared for the examination in 1909 but on account of ill-health due to an attack of typhoid fever at the time of examination he could not pay whole-hearted attention to his studies and thus he was not able to get through the examination.

That the memorialist's domestic circumstances entirely precluded his continuing his studies further. He joined the Civil Court and by dint of hard work was confirmed as clerk on Rs. 20 per mensem. He has now put in a service of nearly eight years in the Department. During this period, he acted as Examiner of the Copyist's Establishment of the District Court, Bench Clerk in Sessions Cases, Appeal Clerk and 2nd Assistant Record Keeper. In all these posts, he trusts he discharged the duties to the entire satisfaction of his superiors. He is now doing the work of Examiner.

That according to the public service notifications, his promotion to higher posts which he is competent to hold is barred as he is not a passed candidate nor has he been duly exempted from passing the examination.

5
2
That the memorialist comes of a respectable Vellala family the members whereof served in the District Court for three generations in high positions. The memorialist's great grandfather and his brother were District Munsifs. His grandfather was the Head Clerk of the District Court and his father who also served in the District Court for 40 years and retired as Sheristadar is now living in his great age of 76 and is anxious to see that the memorialist his only son is pushed on in the service as he deserves. From the enclosed copies of testimonials given to his father, it will be seen what meritorious services he rendered in the District Court and in what high esteem and confidence he was held by the several officers under whom he had served. He entered the Judicial Department in the walk of his ancestors who had served the department with much distinction. But unfortunately he was handicapped in the race for promotion to higher posts by reason of his not being a passed candidate.

That in consideration of the services rendered by his ancestors continuously down to his father to the department, the memorialist most respectfully prays that Your Excellency will be so graciously pleased as to exempt him from the operation of Rule I of the Public Service Notification so as to permit him to hold posts up to Rs. 50, a consideration now being shown to several employees.

That for such act of benevolence and charity, the memorialist shall ever pray.

le. Varasaraajan.

This is to Certify that Calampakham Varadarajan is the son of Retired District Court Sheristadar Calampakham Balasundaram Mudaliar, generally known as C. Balasundaram, and that from his father's forty years' faithful service, of which—so far as the beginning is concerned—my father C. A. Roberts has often spoken and written to me. I am sure that C. Varadarajan will be found deserving of every kind of official encouragement. I have seen him in 1903 but not since.
