To the DIRECTOR OF PUBLIC INSTRUCTION

through the principal

Sir,

I have the honour to apply for permission to attend as on duty the meeting of the Indian Science Congress which is to be held in Bombay in January next.

I propose if permission be granted to read a paper myself and two others in conjunction, one with a student of the B.A. Honours class, the other with Mr. L. J. Sedgwick I.C.S. of Dharwar.

Apart from the reading and discussion of papers, the meeting of men engaged in the same work in other parts of India, and of others engaged in pure research, undoubtedly contributes to improvement in teaching here.

I have the honour to be

SIR,

Your most obedient Servant
