2. From para (2) of the President's letter it is observed that indents for purchase of books, maps and scientific instruments and apparatus are awaited and that the expenditure on these items for each school is expected to be Rs.1000. It is recommended that this amount may be reduced to Rs.500 for each and that the total sum of Rs.2833 required on account of the equipment of both the schools may be sanctioned to the Board as additional subsidy considering the fact that the two schools have not evolved out of existing Board elementary schools but that they are new ones. The charge can be met from the

provision

provision of 2.09 lakhs in the current year's budget under "22-Education opening new Board High schools and new Middle schools".

3. In regard to the expenditure on furniture, the Board, it may be remarked, should not have exceeded the amount sanctioned in G.O.
