Sir,

With reference to Government Memo No. 2146 B-1 dated 1st November 1918 and in continuation of my letter M.R.C.No. 9178/18 dated 8th instant, I have the honour to state that from the reply of the Director of Public Instruction, Burma which was received here on the 9th instant I gather that the Burma Educational Association was instituted during the present year, that there are 520 members on the Register, that the aims of the association are not unambitious. He also states that the Association does not consider that the Association has any claims to receive any of the publications of the Government of Madras.

Honorary Secretary, Burma Education Association

For the Registrar.

Nothing is known about the status
of the Burma Education Association. The
only Educational Publications which might
possibly ^{be} interest to the Association are
the 'Reports on Public Instruction' and the
Madras Educational Rules, Grant-in-Aid Code
& Inspection Code. But from the
notes and orders in G.O. no 67 mis D 21/1/18
it will be seen that the policy of Govt is dis-
courage the supply of such publications
to private institutions. Submitted that
Govt may decline to comply with the request
of the Honorary Secretary, Burma Education
Association to be supplied free of charge
with the educational publications of
Govt. He may, if necessary, purchase
copies
