/Through the Accountant-General, Madras/.

Sir,

The sanctioned scale of pay of the two clerks in the Government Secondary and Training School for mistresses, Triplicane, is Rs.20-1-25 and Rs.20 per mensem. The Inspectress of Girls' Schools, Central Circle, states that it is not possible to secure the services of female clerks for these rates while at the same time it is not desirable to have male clerks especially as their office has to be held, for want of accommodation, in the main building of the School which is attended by grown-up girls. To over-

come

come the difficulty she proposes to grant in addition to their pay an allowance of Rs.15 per mensem to the Head-Clerk and Rs.10 per mensem to the Second Clerk whenever the posts are held by females. She says that the services of competent women clerks cannot be procured for less than Rs.30 per mensem. The allowances suggested above for the Head and Second Clerks in the School in question appear to me to be reasonable and I have the honour to request that Government will be pleased to sanction the proposal with effect from 1st October 1918.

It has been ascertained that the present time for effecting a change in the personnel of both the clerical appointments is opportune since the posts are at present vacant and have been filled up only temporarily.

2. The extra cost of the proposal amounting to Rs.125/- during the current year can be met from the anticipated savings in the provision made for salaries on account of Training Schools for mistresses in the Civil Budget Estimates for 1918-1919.

3. I beg to submit herewith a statement showing the scale of establishment sanctioned for the School.

I have the honour to be,

Sir,

Your most obedient Servant,

Sir,

With reference to Government Memorandum No. 1991-B-3, dated 15th November 1918, I have the honour to submit that the proposal to grant a duty allowance of Rs. 15/- and 10/ per mensem to the two clerks in the Government Secondary and Training School for Mistresses, Triplicane, ^{in the nature of} ~~is an experiment in~~ ~~the nature of~~ which if successful may be extended to other institutions as occasion arises. Consequently it does not seem necessary or even possible to give a forecast as to the number of similar posts to which such allowances will have to be attached. I may mention that the proposal emanated from the Inspectress of Girls' Schools, Central Circle, and that the other two Inspectresses

have not addressed me on the subject. I request therefore that Government will be pleased to sanction the proposal.

The Inspector of Girls' Schools, Central Circle, is reported to be of opinion that the services of competent women clerks cannot be secured for less than Rs. 30 pms. If this argument is accepted, the rates of allowances proposed by the Director do not seem excessive as the total emoluments of the head and ~~clerk~~ clerks will then amount to Rs. 35-1-40 and Rs. 30 pms. respectively. If this is, however, not accepted, the D.P.I. may be requested to state whether the allowances may be fixed at half the rates suggested by him.

an increase ~~may~~ is perhaps necessary, but I continue to doubt if the extra allowances recommended are reasonable, they appear to be excessive & half the amounts suggested would appear to be sufficient.

I am afraid if we allow these high rates for bonuses, we will eventually be faced with a demand from the men for increases correspondingly. I should think a man is likely to have greater responsibilities in the way of dependents etc.

Please see the C.S. note 1.11.18 on page 4 above. The D.P.S. now says that the proposal to grant a duty allowance of Rs 150 to 200 p.m. to the female clerks is in the nature of an experiment which if successful may be extended to other institutions as occasion arises.
