To The Secretary to the Government of Madras,

HOME (EDUCATION) Department.

Sir, /Through the Accountant-General, Madras/.

The Inspectress of Girls' Schools, Southern Circle, reports that the strength in July 1918 of the several standards in the Model School attached to the Government Training School for mistresses, Mangalore, was as noted on the margin, and that the size of many of the Standards was unwieldy necessitating their division into two sections each. She states that the present staff which consists of 6 permanent teachers: on Rs.30-2-40, Rs.25-1-30 and Rs.20-1-25 and 3 on Rs.15-1-20, and two temporary teachers

on Rs.50 and Rs.20-1-25 is quite inadequate to meet the growing needs of the School and recommends that at least three more teachers be employed. I consider, however, that it will suffice for the present if two of the largest standards, viz., the III and the IV are divided and have the honour accordingly to request that Government will be pleased to sanction the employment of two additional teachers on Rs.25 and Rs.30 per mensem temporarily for a year with effect from 1st September 1918.

6455-2320
2. The cost of the proposal amounting to Rs.330 during the current year can be met from the lump provision of Rs.53,200 in the budget for 1918-1919 for, among other objects, the strengthening of the staff of the Government Secondary and Elementary Schools for girls.

3. In this connection I have the honour to point out that the present proposal is quite ^{independent} inadequate of the one made in my letter R. C. No. 415⁵/18, dated 26th July 1918, and that the additional staff herein proposed will be necessary in any case.

I have the honour to be,

Sir,

To The Secretary to the Government of Madras,

Sir,

9.4 ante

With reference to Government Memorandum No.1751 B-2 dated 5th October 1918 I have the honour to state that the pay of the temporary Assistants proposed for employment in the Government Training School for mistresses, Mangalore, may be fixed at Rs.25 per mensem each. It will be observed that this is the minimum pay of the corresponding teachers on the regular permanent staff of the School. Moreover, I consider that Rs.20 is too low a salary to attract the

services of a qualified woman teacher, especially one possessing a knowledge of Kanarese.

I have the honour to be,

Your most obedient Servant,

Addition of two temporary

teachers to the model section attached to

the Govt. Training School

for mistresses, Mangalore.

The Govt. Training School

for mistresses, Mangalore, was started in

1911 and the marginally noted permanent

staff was ~~present~~ ^(sanctioned for) the model section

when the highest standard therein was

expected to be the fourth standard.

Since then three standards higher than

the fourth have ^{been opened} ~~been opened~~

and two temporary teachers, one on Rs

20.1.28 and the other on Rs 50 added.

2. The strength in the several

classes reported in the D.P.D's report

admittedly shows that the school is

one of the very biggest of its kind and

the Director has separately proposed

its elevation to that of a Secondary

school. ^{The present proposal is quite independent of it} ~~and with a view to meet~~

immediate necessity, it is proposed

to employ two additional teachers

on Rs 30 + 25 p.m. for a year from

1st Sep. 1918. If Rule 81 of the

Madras Educational Rules is correctly

applied, the model section will require

in all 13 teachers, i.e., five more

than the existing number. The present

Please see the Feb. Draft:

note on the previous page wherein
they suggest a pay of Rs 25 and Rs 20
only as against the Rs 30 and Rs 25
proposed by the D. P. D. In a case of
this kind, it is respectfully subd.
that the requirements of the school, as
a whole, should be considered rather
than those of the ^{individual} ~~several~~ classes
composing it. The case of the
Nongalare school is special since
its progress has been remarkable
so much so that it is to be raised to
the status of a secondary school shortly.
After all, the D. P. D. has not made
any extravagant proposals. On the
other hand he proposes the addition of
only two teachers though the strength
of the institution will justify the
employment of five more. The
withholding down of their modest
proposal, of the Director's will, it is
feared, react on the development
of the school. For a time therefore
whether financial may again be
moved to accept the Director's
proposal for Rs 30 and Rs 25. If
this is considered unnecessary, the draft
