To

The Chief Secretary to the Government of
The Madras Province,
Madras.

Dated Aligarh, the 2nd December, 1918.

Sir,

I have the honor to address the following few lines to you in connection with the coming annual session of the Conference to be held at Surat (Gujrat) on the 27th, 28th and 29th December, and to what extent the Government of your Province can help us in our work.

As you must be aware this Conference was started by the late Sir Syed Ahmed Khan with the express object of dealing exclusively with the educational problems of the Indian Musalmans, whose backwardness in Education is patent to all. Representative Mohamedan gentlemen from all parts of India gather every year and take active and keen interest in solving the various important questions connected with their Educational requirements in the country. On such occasions we often need the help and co-operation of those who have practical experience of the system of education which is in vogue, and who come in direct contact with the requirements of the people and are thus in a position to appreciate them.

Members of our community who are employed in the Educational Departments of the various Provinces, in the Teaching and

Inspection branches, are the men who can be of great help to us in this connection for, on the one hand they can by means of their expert knowledge and experience throw useful light on many Educational problems which are discussed in the Conference, and on the other, they can thus have an opportunity of knowing the real wishes and feelings of the people, and of conveying them to their departmental authorities.

For these reasons I beg permission to request that you may be pleased not only to permit but encourage, the Musalman officers of your Educational Department, to attend the annual sessions of the Conference. This year's session promises to be an important one and I shall feel obliged if you will be pleased to give favourable consideration to this proposal.

I have the honour to be,

Sir,

Your most obedient servant,

M. Habib ur Rahman Khan
Honorary Joint Secretary.
