No. 8552/18

Station Madras, Dated the 7 December 1918.

From (Name) the Hon'ble Mr. H. S. Duncan, M. A.,

(Designation) Ag. Director of Public Instruction, MADRAS.

To The Secretary to the Government of Madras,

HOME (EDUCATION) Department.

Sir,

In their order No.107 Educational dated 23rd January 1914 Government approved the Director's proposal to rent a building for not more than Rs.90 per mensem for the location of the Government Muhammadan Secondary School, Georgetown, Madras. Accordingly the School was located in Sembudass Street, Georgetown, on a rent of Rs.35 per mensem. When the question of renewing the lease came up for consideration in October last, the house-owner issued a notice demanding a rent of Rs.150 a month. It

was also stated therein that the building should be vacated by the end of November if the Department could not agree to pay the enhanced rent. Thereupon, the Inspector was asked to select another building if the landlord could not be prevailed upon to reduce his demand.

(2) It is now reported that the present building is not worth even Rs.100 a month since there is not sufficient accommodation in it for holding all the classes and that separate accommodation would have to be provided for the Manual Training Class sanctioned in G. O. No.1440 Home (Education) dated 16th November 1917 on a rent of at least Rs.40. Hence, even if the owner was prepared to moderate his demands and execute a rent deed for a reasonable period the arrangement would not be satisfactory or economical. The Inspector has therefore secured another building in Armenian Street on a rental of Rs.125 per mensem which, it is reported, will provide accommodation not only for the general education classes but also for the Manual Training Class attached to the School. The Executive Engineer considers the rent proposed reasonable and the landlord is prepared to execute a rent deed for three years.

As the matter was urgent, I approved the Inspector's suggestion to remove the school to the new building in anticipation of the sanction of Government. It is requested that my action may now be approved and the sanction of Government obtained to the payment of a rent of Rs.125 per mensem with effect from 1st December 1918 for the new building selected for the location of the Government Muhammadan Secondary School, Georgetown, including the Manual Training Class.

3.

2. There is a budget provision of Rs.1020 under Rents, Rates and Taxes for the school during the current official year and the Inspector reports that the extra expenditure relating to the remaining portion of the year will be met by transfer from the provision under "Supplies and Services - Europe Stores" for the School.

3. I request the favour of early orders.

I have the honour to be,

Sir,

Your most obedient Servant,

R. A. Ariyaratne

for Director of Public Instruction.
