SIR,

I am desired by the Committee to submit, for favour of the consideration of Government, the enclosed letter from Mr. G. Maddox, formerly Headmaster of this school.

Mr. Maddox did 17½ years good service in this school - and the Committee would be grateful if this service could be counted as service under Government - and a compassionate allowance under Article 924 Civil Service Regulations could be granted to him from Government funds.

The Committee feel that this is a case in which Mr. Maddox can only throw himself on the mercy of the Government and trust that his good service both as Headmaster of the school and, as is understood, as Secretary to the Commissioner for Government Examinations will be considered a sufficient cause for special treatment. The Committee feel sure that the prayer of an old and trusted servant of the school will receive the sympathetic consideration of Government.

L o v e d a l e.

Dear Sir,

I joined the Lawrence Asylum as Headmaster 30 years ago and continued in it for nearly nineteen years under the Principals, the Revs. O. Dene and A. W. Atkinson, and yourself, giving them and you entire satisfaction in my work, and the two former gentlemen themselves would certify were they alive. You also under whom I served during the last years of my stay, could certify to the same. Before leaving the school with your consent, on my appointment as Secretary to the Commissioner for Government Examinations, Madras, I was referred to by H. E. Sir Arthur Lawley in his speech at the distribution of prizes at the Lawrence Asylum in terms of commendation as follows:-

+ 1747 mks.

"..... For 18 years he (Mr. Maddox) devoted himself with a single minded purpose to lead the boys committed to his charge, whether in their games or whether in their work ever to seek a higher place of excellence".

I was called upon by Sir Alfred Bourne to accept the Secretaryship, and you very kindly recommended me for the appointment. I thereupon wrote out my resignation and sent it in, asking for a pension in consideration of my services, but the Committee sanctioned a gratuity of only Rs. 1,500/-. I accepted the amount without any demur, hoping at some future time to refer to it, as I was in receipt of a salary in virtue of my appointment as Secretary. I continued as such for nearly nine years, giving Sir Alfred Bourne and the Hon'ble Mr. Stone satisfaction in the discharge of my duties. The Secondary School-Leaving Certificate Board also made honourable mention of my work under them at the end of the nine years:

Sir,

I have the honour, by direction, to inform you that at the last meeting of the School-Leaving Certificate Board, the following proposition was moved by the Rev. A. Moffat, M.A., B. Sc., F.R.S.E., and seconded by M.R.Ry P.V.Seshu Ayyar Avl., B.A., L.T., and supported by M.R.Ry. Rao Bahadur V.R.Venkatarama Ayyar Avl., B.A., L.T., and carried unanimously; I have much pleasure in communicating it to you:-

"That in view of the retirement of Mr. G. Maddox from the Office of Secretary to the Secondary School-Leaving Certificate Board, the Board desires to place on record its cordial appreciation of the manner in which Mr. Maddox has discharged the duties of his office with the able co-operation of his staff."

I have the honour to be,

Sir,

Your most obedient servant,

(Signed) D. A. Howday,

S e c r e t a r y.

I was called upon by the Hon'ble Mr. Stone, to resign my appointment owing to my old age; I was all along aware, that as Secretary I drew only a local allowance and that I had no pension to expect, except what I may have earned in my previous appointment. The gratuity already granted me by the school was expended before the end of my service as Secretary, and nothing remains for my future support. In other words, I am reduced to a state of dependence upon my children. I now appeal to the Committee of the Lawrence Asylum, to re-consider any claim I might have to some help.

My service in all my career amounts to forty-four years, 30 years of which were spent in school and as Secretary, and as I have rendered satisfaction in all my work, I beg that my appeal be favourably considered, and a small pension be allowed me to end my days in peace. My present age is 68 years.

I beg to remain,

Dear Sir,

Your most obedient servant,

G. M. Maddox

SIR,

In reply to your Endorsement No. 2244 B-1, dated the 7th November 1918, forwarding for remarks letter No. 8679, dated the 30th October 1918 from the Director of Public Instruction, Madras, submitting to Government the recommendation of the Principal and Secretary of the Lawrence Memorial School, Lovedale, Nilgiris, for the grant of a compassionate allowance from General Revenues to Mr. G. Maddox, I have the honour to state as follows.

1 Mr. Maddox is reported to have served for about seventeen years and a half as Headmaster of the Lawrence Memorial School, Nilgiris, for which he was granted by the School Committee a gratuity of Rs. 1,800/- on his retirement from the school in 1908. The school is a private institution and service in it is not pensionable from General Revenues.

2 Since August 1908 Mr. Maddox was employed under the

the Government of Madras as Secretary to the Commissioner for Government Examinations from which appointment he retired on the 1st August 1917 and as he drew during this service only a local allowance of Rs.350/- per mensem, his service under Government is non-pensionable.

3 Mr. Maddox's present request for the grant of a special compassionate pension from the General Revenues in respect of his services in the Lawrence Memorial School, in addition to the gratuity of Rs.1,800/- granted to him is inadmissible under the rules of the Civil Service Regulations, and there are no rules under which the Local Government can sanction a pension in such cases.

The enclosures received with your endorsement under reply are herewith returned.

I have the honour to be,
Sir,
Your most obedient servant,

Dy. Accountant-General.
