Subject - Permanent exemption of T.S. Sugan
reducing medals from the provisions of
Art. 1 of the Public Service Notification.

The reasons mentioned in col. 9 of the application
seem to show that the recommendation is
personal. In col 10, ~~however~~ the D.G. makes
a definite statement that "the application is
made solely in the interests of the Public Service".
It is for consideration whether on the strength
of this statement the permanent exemption
sought for may be sanctioned. If so, it
seems desirable to fix the limit of pay at
Rs. 45 instead of Rs. 30 to Rs. 45 proposed by
the D.G. A draft order is submitted for
approval. It may be sent to Judicial for
acceptance.

The recommendation is apparently
made on personal grounds - (cols 8 & 9 of the application).
As however the D.G. states that "the applica-
tion is made solely in the interests of the
public service", the draft may be accept
in this Dept.

 lay down the principles on
 which these exemptions are

The U.S. probably refers to
 the Secy's note of the 8th June 1918
 at pp 12-13 of notes to G. O. 834 Ecol
 d. 25.6.1918. It will be seen
 from para 4 of the above notes
 that in exceptional cases such
 exemption may be granted. In the
 present case, the ~~S. G.~~ ^{S. G.} of Police
 strongly recommends the exemption.
 The limits recommended are Rs 45 ~~per~~
 for orders whether the draft may be
 accepted in full.

given to a typist. (Do draw this maximum pay as typist, one has to pass the advanced test). Still the maximum pay permissible - Rs 50 - is higher than the maximum which the I. S. proposes to give the typist in the present case - Rs 45.

(b) As in the case of typists there is no scale of pay for shorthand. The usual practice is to grant a special allowance ⁱⁿ addition to pay to some one who knows shorthand. It is understood from the office of the I. S. of Police that there is no special shorthand allowance paid to any clerk or typist, but a clerk knowing shorthand is employed in the regular office establishment.

In view of 'A' above there seems to be no objection to permanent exemption being granted in the present case.

For a precedent for exemption of a typist with a view to his employment as a clerk please see GO No 38 Eon 8th January 1917

I am sorry I cannot pass this. There is no reason why the man should not receive the same or higher pay as a typist.
